

The book cover features a serene landscape illustration. In the foreground, dark silhouettes of reeds and grasses frame the bottom and sides. A long, dark bridge with multiple arches spans across the middle of the frame. The background shows a calm river reflecting the warm, golden light of a sunset or sunrise, with a soft gradient of colors in the sky.

My River Speaks:

My River Speaks Marianne Taylor, Energy Recovery Corp, 1998-01-01 **The River Speaks**, 2025-06-09 In her voice Yamuna the river shares her timeless journey a tale of life resilience and silent suffering Flowing through ancient myths and modern struggles she pleads with us to see her scars and hear her cries Use my waters she urges but with care for my survival is intertwined with yours If we pay attention to her call and change our demands Yamuna will heal herself But if we remain blind to her plight a grave danger looms over all who depend on her This is more than a river's story it's a wake up call to save her before it's too late , *Year Book* United States Engineers. 3d Volunteer (War with Spain), 1938

Doing Performative Social Science Kip Jones, 2022-06-30 *Doing Performative Social Science* Creativity in Doing Research and Reaching Communities focuses as the title suggests on the actual act of doing research and creating research outputs through a number of creative and arts led approaches Performative Social Science PSS embraces the use of tools from the arts e.g. photography dance drama filmmaking poetry fiction etc by expanding even replacing more traditional methods of research and diffusion of academic efforts Ideally it can include forming collaborations with artists themselves and creating a professional research learning and or dissemination experience These efforts then include the wider community that has a meaningful investment in their projects and their outputs and outcomes In this insightful volume Kip Jones brings together a wide range of examples of how contributing authors from diverse disciplines have used the arts led principles of PSS and its philosophy based in relational aesthetics in real world projects The chapters outline the methods and theory bases underlying creative approaches show the aesthetic and relational constructs of research through these approaches and show the real and meaningful community engagement that can result from projects such as these This book will be of interest to all scholars of qualitative and arts led research in the social sciences communication and performance studies as well as artist scholars and those engaging in community based research *Earth Spirit Dreaming* Elizabeth E. Meacham, 2020-02-04 A guide to co creating a healing vision for humanity and the Earth through nature connected shamanic rituals Explains the Earth Spirit Dreaming process for rebirthing inherent shamanic abilities with dozens of practices in three categories Earth connecting practices Spirit connecting practices and Dream connecting practices Provides experiential exercises to foster interactions with the intelligences and elemental energies of nature and the Spirit realm realign you with the rhythms and flow of life and co create a healing dream for humanity and all of life on our planet Contains step by step directions for connecting with the light guides of the planet for guidance and healing Humanity has become profoundly disconnected from the web of life on Earth as well as from nature as a whole In this practical guide Elizabeth E Meacham details her field tested method of shamanic ecotherapy practices to resolve this centuries long trend toward disconnection Through these practices you will learn how to reconnect to Earth's systems and help restore health and balance to people and the planet Translating transformative ideas from visionary environmental thinkers into engaging shamanic rituals for profound spiritual growth

Meacham offers dozens of practices in three categories Earth connecting practices Spirit connecting practices and Dream connecting practices Building on one another the exercises open channels to allow you to directly experience the intelligences of the Earth and Spirit realms rebirth your inherent shamanic abilities realign you with the rhythms and flow of life and reclaim your ancestral power for co creating a healing dream for our species and all of life on our planetary home Guiding the reader through a progressively deepening journey toward connection with ourselves each other and the consciousness of our biosphere the practices also invite profound mindfulness as we work to hold a vision of connection with the Earth and Spirit realms while choosing consciously to focus on joy beauty gratitude love and healing Illuminating a shamanic awakening within Western culture at the dawn of an ecological age Earth Spirit Dreaming reveals how the birth of a global consciousness of healing depends upon our commitment to individual and collective spiritual evolution Calling us back to our shamanic heritage of a living nature spirituality this manual offers much needed guidance on the essential journey back to an intimate love of Earth
