The Book of Nature Barbara Mahany,2023 Before the sacred Scriptures were ever written there was a much earlier text The Book of Nature Barbara Mahany invites us to discover an ancient theology that focuses on the text of God first revealed through creation nature in all its kaleidoscopic turnings **One Foot on the Shore...A Spiritual Journey to the Promised Land** Diana A. Blackmon,2017-12-26 One Foot on the Shore A Spiritual Journey to the Promised Land is the real life journey of a wife and mother from North Carolina to the Promised Land of the Lord It certainly was not an easy journey Laugh and cry with her as she stumbled through the Red Sea ruts and then conquered the giants in the land Her story starts simplistically with a call on her life that took years for her to recognize but once the Lord s salvation became real to her she was overwhelmed by His supernatural grace Obedience became the hallmark of her existence Spending hours in prayer and study of God s word produced many rewards seen and unseen at the time Obedience is better than sacrifice is a reoccurring theme throughout her life as she follows Him and His guidance Through her obedience to the Lord she has reached multitudes with the Gospel of Jesus Christ with her anointed jewelry designs like her signature piece the Gospel Pin™ This piece and many of her other Christian jewelry designs were on the QVC Shopping Network for many years As she shared her heart with her southern drawl on QVC many millions were blessed to hear the gospel shared in such a unique way on a secular TV outlet **The Mist-Filled Path** Frank MacEowen,2010-09-07 In The Mist Filled Path Frank MacEowen shows how embracing the indigenous wisdom of Scotland and Ireland can lead to healing and transcendence Using his own travels and teachings along with Celtic stories and myths he explores ancient traditions ecopsychology the ancient mother altars and hearths Oran Mor the Great Song contemplation and mysticism The book tells how to draw on ancestral roots to find a personal spirituality that also works for the greater good **The Heartbeat of God** Katharine Jefferts Schori,2010-11-04 Insights from a pioneering leader in world religion on the intersections of the sacred the secular As Christians indeed as people of faith of any tradition we are called to tend to the needs of the least among us Our response to them must be the response of faith God gives us a new heart to do this work and every time we gather to do it God offers a pacemaker jolt to tweak our heart s rhythm The challenge is this will our hearts respond with a strengthened beat in tune with God s own heartbeat sending more life out into the world from the Introduction Explore our connections as human beings with each other as one nation with all other nations as the human species with the whole of our environment through the lens of faith Katharine Jefferts Schori presiding bishop of The Episcopal Church examines these connections as she looks at the intersections of faith with the major issues of our day How does faith speak to poverty climate change the economy health care and what is the faith response How can believers from many faith traditions find common ground while honoring the Divine serving one another and creating deeper community How do we best use the resources of faith to connect us to the hearts of our neighbors and to the heart of God **The Soul at Rest** Tricia McCary Rhodes,2018-11-06 Many Christians

today struggle with having a consistent or life giving quiet time They are looking for a form of prayer that doesn't make them feel like they're begging God or being judged by him The Soul at Rest is a quiet time companion that introduces inward disciplines from throughout Christian history to those who hunger for greater intimacy with God The Soul at Rest is a 40 day guided experience of prayer that puts readers in the presence of God and allows them to enter and enjoy his rest It guides readers into a rhythm of quiet contemplative prayer easing them into God's presence and demonstrating how prayer is not so much a duty as it is a gift By the time someone finishes The Soul at Rest they'll not only understand prayer better they'll be engaging in it as a regular rhythm of life

In the Center of God's will Minister Craig L. Deloney,2015-04-09 To whom do we belong God or the world Many of our daily preoccupations tend to suggest that we belong more to the world than to God Even the slightest criticism constructive or not can make us angry and feeling just a small hint of rejection makes can send us into a whirlpool of feeling down However a compliment can easily lift our spirits and even a small amount of success can be exciting As the author quotes often we are like small boats on the ocean completely at the mercy of the waves Whether we feel as though we belong to the world or to our creator one thing remains true the world offers conditional love I will love you if you make a lot of money for instance or I will love you when we aren t fighting God s love however is unconditional saying the complete opposite I will love you if you do make a lot of money or if you don t or even I will love you even when you re mad at me
