My Secret Diary , 2003 My Secret Diary Jarrold Publishing, *My Secret Diary* Richard Voigt, 2016-12-23 What better place to keep your deepest thoughts and feelings about love hope and dreams than in a Secret Diary A secret diary is where all the exciting and eventful adventure of life are recorded Even days that appear dull and boring can have special moments of meaning worthy of recording It may be a dream a fantasy or something that happened to a school bully a teacher co worker boss friend or family member that s worthy of adding to your secret diary But most of all

keeping a secret diary is really about you and your feelings about your daily experiences It s a wonderful way to express your feelings about love hope and dreams as well as venting your inner fears and frustrations And if for some reason you take time away from writing in your diary when you do return don t try to reinvent the past rather continue writing about the events of today A secret diary is also a great place to keep special names phone numbers and email addresses that are easily accessible when needed Allow additional space for reminder notes birthdays family and friend connections likes and dislikes hobbies favorite music movies food and drink Remember a secret diary is meant to be kept secret for your eyes only and not lying around in plain view for others to see It s your total responsibility to protect and keep it safe and not something you casually carry around for others to see It doesn t matter whether it s a child or an adult prying eyes are always in sight For those who are truly committed to keeping a diary let alone a secret one they often keep a second decoy diary to distract and deter prying eyes The decoy diary only contains repetitive information that will quickly bore anyone reading pages of meaningless entries while the real secret diary is kept in a secure secret hiding place Like a detective pursuing a case part of the fun of keeping a secret diary is the challenge and excitement in keeping it safe Whether hollowing out the inside of an old book creating a secret place in your closet under a floor board in a cold return vent or in a secret compartment in your room apartment or home creating a special place to stash your secret diary and keeping it safe and secure is crucial to keeping the contents secret So rather than ignoring deepest thoughts and feelings about love hope and dreams consider having fun in sharing My Secret Diary with yourself and those you love the most *My Secret Diary Journal Secret* Chris Jean,2020-07-13 Secret diary for 3 months 6x9po in colors Personal diary Write diary what is secret diary Use secret or personal diary who use secret diary Journal secret Journal intime Journal personnel ecrire un journal personnel utiliser journal intime My Secret Diary Lunar Glow Readers,2014-03-17 **My Secret Diary Secret Diary of Ashley Juergen** Ashley Juergens,2010-06-15 I got called into Principal Miller s office again She handed me a notebook This notebook She told me keeping a journal is an excellent way to express oneself So I have to write in this stupid thing and turn it in at the end of each month Little does she know what she s in for With everything that s been going on Amy s band camp pregnancy my parents divorce a secret wedding it s practically one stop shopping for all your Grant High gossip needs Property of Ashley Juergens Read at your own risk especially you Amy My Secret Diary Christian Art Gifts,2012-08 My Secret Diary has a hardcover with foil accents 160 pages Ribbon closure ribbon marker 4 3 4 W x 6 3 4 H **My Secret Diary** Martin Editions,2019-12-14 366 lined pages notebook for each day of the year Date Glossy soft cover Format 5 5x 8 5 Trendy and Original Convenient Feel free to flip through the book A very useful book to write your days **My Secret, Secret Diary for Kids** Barbara Sabet,2016-10-06 Here s a little diary for the little ones who are just learning to read and write They can have their own secret diary with just a little help from older sister brother mom dad or teacher *My Secret Diary* Barbara Sabet,2016-09-21 This diary is yours and yours alone You can write about your secrets and desires It is blank so that you can
