

MOSES MY SERVANT IS DEAD...

now therefore, arise,
cross this Jordan, you
and all this people, to
the land which I am
giving to them, the
the Sons of Israel.

Joshua 1:2

My Servant Moses

Stephen Kaung

My Servant Moses:

Moses, the Servant of God Stephen Kaung, 2018-05-23 The life of Moses is most inspiring At a certain point in that life he was called by God to be My servant Indeed living for 120 years Moses servanthood was divided into three periods of 40 years each During the first 40 years Moses tried to serve God according to his own way which was the way he had learned from the world So during the second 40 years of his life which was spent entirely out in the desert wilderness of Midian Moses had to unlearn all he had learned previously and also he had to learn God Finally throughout the entire concluding 40 year period of his long life Moses was used by God as His faithful servant Let us see that like Moses in order to be able to serve God we must first unlearn all which we have learned from the world Then and only then can anyone serve God A true servant of God must be selfless and be absolutely obedient to God He may suffer incessantly from others but he will be approved by God And this is all that matters May we all learn to serve God as Moses did My Servant Moses Edwin Ray Cameron, 1937

Bewilderments Avivah Gottlieb Zornberg, 2017-09-05 Through the magnificent literary scholarly and psychological analysis of the text that is her trademark Avivah Gottlieb Zornberg tackles the enduring puzzlement of the book of Numbers What should have been for the Israelites a brief journey from Mount Sinai to the Holy Land becomes a forty year death march Both before and after the devastating report of the Spies the narrative centers on the people's desire to return to slavery in Egypt At its heart are speeches of complaint and lament But in the narrative of the book of Numbers that is found in mystical and Hasidic sources the generation of the wilderness emerges as one of extraordinary spiritual experience fed on miracles and nurtured directly by God a generation of ecstatic faith human partners in an unprecedented conversation with the Deity Drawing on kabbalistic sources the Hasidic commentators depict a people who transcend prudent considerations in order to follow God into the wilderness where their spiritual yearning comes to full expression Is there a way to integrate this narrative of dark murmurings of obsessive fantasies of a return to Egypt with the celebration of a love intoxicated wilderness discourse What effect does the cumulative trauma of slavery the miracles of Exodus and the revelation at Sinai have on a nation that is beginning to speak In *Bewilderments* one of our most admired biblical commentators suggests fascinating answers to these questions *On My Way Home* Dencle McDonald, 2020-07-15 *On My Way Home* is part memoir part inspiration and insights drawn from the author's life experiences to highlight the practicality and power of surrendering one's life to the government of biblical principles faith love obedience to God's Word and intimacy with God At eighteen years old Dencle's journey takes a sudden dramatic turn and what began as a normal summer day in tropical Jamaica a few miles away from the world famous Negril beach ends with radical changes in the values and pursuits of this teenager One question led to another and before he could fully appreciate what was happening Dencle walked past his friends all the way to the front of the church knelt down and responded to the question that had firmly captured his mind and commanded this profound immediate response This marked the beginning of a life long quest to know God and to dig into the promise of a real God for

real people In Part 1 of On My Way Home we are given a front row seat as we are allowed to examine the author's life and background Then in Part 2 he takes us with him on a journey of exploration as his life is transformed by his discoveries of God's character and makes a convincing case that we can have those same discoveries as well On My Way Home simplifies the fundamentals of Christian living The command to love the Lord and our neighbor for example is translated into a manageable slogan Love is primary everything else is secondary that we can easily remember and apply to everyday situations every point carefully explained so that the reader gets it This book makes us feel like a life of faith and intimacy with God is right at our fingertips ending with Dencle's glimpse of paradise and thoughts of home

(Moses's Ethiopian Wife) Saves His Life Dr. Lawrence E. Henry, 2022-03-08 In this book we will discover how Zipporah Moses s wife saved Moses s life from a certain death and ensured he carried out the commission given him by God Next to Mary Jesus s mother Zipporah was arguably one of the most important women in the Bible as will be revealed in chapter 2 Bizarre is typical of how biblical scholars describe the tale of Zipporah and her husband Moses especially the section in which God planned to kill Moses and Zipporah uses a blood ritual to successfully defend her husband and son For mystery mayhem and sheer baffling weirdness nothing else in the Bible quite compares with the story of Zipporah and the bridegroom of blood

Lord, Change My Attitude James MacDonald,2015-06-18 Change your attitude change your life We re very good at explaining why we re unhappy bad job bad relationships bad luck But there s probably a better reason bad attitudes In Lord Change My Attitude James MacDonald shows us just how much our attitudes affect our lives One of his bestsellers this book is classic James It s clear it s inspiring and it packs a punch Drawing from the experience of the Israelites who grumbled through the wilderness MacDonald shows how bad attitudes rob us of joy Coveting complaining and being critical are not what our hearts were made for They were made for thankfulness contentment and love Is your heart straining under the weight of a bad attitude Don t read this book if you re looking for a quick fix Don t read this book if you re unwilling to change Read it if you re ready for a serious inside out attitude adjustment

Reflections on the Book of Numbers Martin Sicker,2014-12-30 Perusing this biblical book through a theopolitical prism it may be seen that another unifying theme that courses through the diverse contents of this biblical work is that of molding the diverse tribes of the children of Israel into a functioning confederacy presided over by an increasingly strong central authority For forty years Moses wrestled with the problem of retaining the tribal structure of the children of Israel as a vehicle for the transmission of traditional teachings and

values from the generation of the exodus to their descendants and at the same time attempting to restructure intertribal relationships within the confederacy by the nationalization and centralization of the evolving religion focused on the Tabernacle and its rites that served as the adhesive that bound them to each other What the narrative also illustrates is the challenge of exercising the effective central leadership essential to containing the centripetal social forces that tended to impede the transition from a tribal confederacy to a unified nation a challenge that purportedly caused an eleven day trip from Mount Sinai to the Promised Land to take thirty eight years to complete The Blessing and the Curse Jeff S. Anderson, 2014-07-07 The magical power of the spoken word is a topic that often comes up in a discussion of biblical blessings and curses What is the source of social and linguistic power behind these blessings and curses Many theologians would agree that God can and does bless but does God also curse If so what does that mean to the biblical theology of the Old Testament and the Christian church Anderson s The Blessing and the Curse applies speech act theory as one way to understand the performative function of blessings and curses The concept of speech acts provides a method of recognizing the potent social power of language to accomplish certain ends without drawing a hard line of distinction between word magic and religion Even though the chief concepts and practices of blessings and curses are deeply rooted in the broad cultural environment of the ancient Near East tracing specific trajectories of Old Testament blessings and curses as theological themes conveys broad inescapable implications for the biblical narrative and the Christian church
