My Sister the Nightmare Janet A. Brice,2011-10-24 King Arthur's royal court and the Knights of the Round Table are established in the 21st Century In an all too brief period of peace

Feminist Nightmares Susan Ostrov Weissner, Jennifer Fleischer, 1994-10 Though all women are women no woman is only a woman wrote Elizabeth Spelman in *The Inessential Woman* Gone are the days when feminism translated simply into the advocacy of equality for women Women's interests are not always aligned race class and sexuality complicate the equation In recent years feminist ideologies have become increasingly diverse Today one feminist's most ardent political opponent may well be another feminist As feminism grows increasingly diverse the time has come to ask a painful and frequently avoided question what does it mean for women to oppress women This pathbreaking provocative anthology addresses this troublesome dilemma from various feminist perspectives offering an interdisciplinary collection of writings that widens our understanding of oppression to take into account women who are at odds The book examines the social political and psychological ramifications of this phenomenon as evidenced in a range of texts from women's antislavery writing to women's anti-abortion writing from mother-daughter incest stories to maternal surrogacy narratives from the Bible to the popular romance novel from Jane Austen to Alice Walker The value of the volume is perhaps best summed up by an early response to the idea This is a book that should never be written feminists should concentrate on how men oppress women Ironically it is precisely because the subject triggers such responses the authors argue that a volume such as *Feminist Nightmares* has become a necessity

Her Venomous King A.L. Maruga, 2025-01-26 The Serpent A Serpent shows no mercy She thought she could get away hiding for years hoping that I'd release her from my obsession But I will have my broken doll back She is mine and I'll destroy anyone who blocks my path to her Isabella my cartel queen will once again rule by my side Or risk meeting her bloody end by my villainous hands There are no other outcomes for her She will endure my venom or perish The Queen Queens bow to no one His obsession blinded him and helped fuel my escape I've been hiding for years pretending to be someone else Living the life I was supposed to with my other love But I should've known Diego would never give up He's a coiled snake waiting to strike Now that he's found me I fear I won't survive his insanity and rage The Healer Sometimes love means letting go She was mine long before she was his My exquisite rose fragile delicate and horrified by the beast who stalks her I vow to protect her and shield her forever But her unhinged psychopath is determined to take what I love the most away from me If he sinks his fangs into her again we may not live to see another day If I set her free I can ensure both our survival even if it means selling our souls to the very devil we hide from

Nightmares Alex Lukeman, 2000-10-24 *Nightmares* discusses subjects such as why we have nightmares the language of dreams universal symbols and some basic

instructions for finding relief from nightmares **Banishing Night Terrors and Nightmares** Christopher Raoul Carranza, Jane Rogers Dill, 2004 Drawn from the latest research and the author's own experiences with night terrors this comprehensive guide provides parents with the most effective therapeutic approaches the pros and cons of medication and the steps needed for permanently vanquishing this disorder while improving physical and emotional health Original *War Nightmares* Michael Montero, 2017-04-19 What you are about to read is what I remember from my childhood set against the backdrop of the Spanish Civil War I was slightly over seven years old at the time I would have preferred to set my childhood on a pallet of beautiful colors but as a mere mortal I could not choose where to be then Destiny did that for me This book is neither political nor religious I am neither It is simply a recollection of things I saw heard and felt It may sound paradoxical but because of this my feelings have always been numb Whether this is due to my psychological makeup or to the fact that I went through adversity at a very young age I know not I accept life as it is the everyday merry go round of sweetness and bitterness Circumstances taught me to expect the unexpected and forged the need for survival at all costs Although in my darker moments I wondered if that need should even be considered The events I relate happened mainly in Madrid where I was born where my brothers and sisters were born and where my parents worked hard for a more rewarding life Madrid where during three years of agony and hope the revolution changed my life forever City of Nightmares Rebecca Schaeffer, 2023-01-10 Gotham meets Strange the Dreamer in this thrilling young adult fantasy about a cowardly girl who finds herself at the center of a criminal syndicate conspiracy in a city where crooked politicians and sinister cults reign and dreaming means waking up as your worst nightmare Ever since her sister became a man eating spider and slaughtered her way through town nineteen year old Ness has been terrified terrified of some other Nightmare murdering her and terrified of ending up like her sister Because in Newham the city that never sleeps dreaming means waking up as your worst fear Whether that means becoming a Nightmare that's monstrous only in appearance to transforming into a twisted unrecognizable creature that terrorizes the city no one is safe Ness will do anything to avoid becoming another victim even if that means lying low among the Friends of the Restful Soul a questionable organization that may or may not be a cult But being a member of maybe cult has a price In order to prove herself Ness cons her way into what's supposed to be a simple job for the organization only for it to blow up in her face Literally Tangled up in the aftermath of an explosive assassination now Ness and the only other survivor a Nightmare boy who Ness suspects is planning to eat her must find their way back to Newham and uncover the sinister truth behind the attack even as the horrors of her past loom ominously near **Dreams of Nightmares** Kat Thomas, 2023-09-15 One horrible day Dr Kit Jones is finally on her way home from work when her best friend and co worker Mitsuhide Akechi is completely blindsided and is left unable to sift through the events in his own life leading him to ask her for help Kit of course steps up and helps Mitsuhide but in the process finds out her own family could possibly be involved somehow Nothing makes sense as June Mitsuhide's twin sister who has been comatose for five years

since a horrible car accident is now pregnant The two have to do what they can to help each other find a way to handle all of the events surrounding June s mysterious pregnancy After the initial shock of everything the two have to wade through medical exams and getting a few court orders but in the meantime things have changed between the two friends As their lives become fuller because of each other and dealing with this situation they find a happiness neither of them thought they would have As they deal with the case that has engulf them they prepare for a life after it raising the two babies Mitsuhide s sister is carrying Through ups and downs we watch these two battle to see the light at the end of the tunnel However they are left to wonder is this just the beginning of the nightmare Though fictional the plot is based off headlines in 2019 in a care facility where at least one woman was raped while she was on life support systems and did deliver the child safely People were left to deal with the aftermath and help raise the child This story is a reflection of those people and how it got to that point

A Nightmare's Point of View April Kuper Winterblade,2021-06-02 Nightmares never go away You may chase them away You can think you killed them You may stop believing and forget them but Nightmares never go away Nightmares don t die They just wait

Memories, Dreams, Nightmares Jack Weiss,2005 The compelling memoir tells the story of Holocaust survivor Jack Weiss This is the story of his abused childhood how a deported eleven year old boy escaped from certain death to join his father in the middle of a war He was deported again to the infamous Auschwitz Birkenau concentration camp where he was selected for forced labour Somehow he miraculously survived these horrors and at the age of 17 he was brought by the Canadian Jewish Congress to Winnipeg Manitoba where was finally able to carve out a life for himself
