A Memorial of Mary Christy Harvey, Daughter of Reuben and Hannah C. Harvey. Born, 17th January, 1825. Died, 6th April, 1858 Mary Christy Harvey, 1858 32 *Jonah* J.A. Roberts, 2024-03-11 It is widely debated as to whether or not Jonah is a fictitious story in scripture When we read the account it certainly seems far fetched It has a lot of themes going for it but the one specific theme that is harshly addressed here is the salvation of a people that this prophet Jonah doesn't want to happen To get a bit of a backstory Jonah had been a prophet for the people of God for a good portion of time now and he is likely living the high life Most people knew him and he was an asset to his community in Gathhepher I have spent a good portion of scripture especially in the Old Testament relaying names and so I hope to do that justice in this setting as well This book of the Bible is extremely short but extremely powerful and I think there are quite a few reasons to deem it essential to scripture Firstly it gives a story of redemption That is the biblical theme is it not People whom we might deem unworthy of redemption are the people that God seems to focus on the most The Israelites were certainly unworthy of God's attention but they are focused on because they are the only ones in this entire planet willing to follow the Lord in seasons No other nation would stay the course leading to the Messiah Secondly because Jonah is a prophet we are given some useful prophecy in the New Testament life of Christ Everything in the prophet's lives lead to Christ whether you are reading from a major prophet of scripture or a minor prophet minor because the book is short For as Jonas was three days and three nights in the whale's belly so shall the Son of man be three days and three nights in the heart of the earth Matthew 12:40 Perhaps if Jesus had missed the opportunity to talk about Jonah we would struggle with the legitimacy of this small book of the Bible Thankfully Jesus speaks about it and it lines up prophetically to Christ's death and resurrection That is the

key part of reading scripture We must ask ourselves through every page how does this line up with Christ s death and resurrection You will find your answer every time the Bible is great at that We are also given a small glimpse of Jonah in 2 Kings and it s not a rough mention but it s a mention nonetheless He restored the coast of Israel from the entering of Hamath unto the sea of the plain according to the word of the LORD God of Israel which he spake by the hand of his servant Jonah the son of Amittai the prophet which was of Gathhepher 2 Kings 14 25 Thirdly and lastly this shows us a real struggle that Christians of all walks face We can somewhat be harsh on the circumstance and leading of Jonah and think Boy this Jonah fellow is dramatic and not very bright What we might miss however is that we fall into the same traps We must be cautious about bragging on Jonah s lack of faith too much because we are just as guilty of his mistakes That is really what we need to look at while we read we must say Am I guilty of thinking this and being this way Of course Christ is the picture here but it s a book that teaches us how to be more LIKE Christ rather than more like Jonah Unlearned & Ignorant Commentary J.A. Roberts, 2024-04-19 These are my simple and practical notes for all of the books of the Bible I am currently in the process of still writing all of my notes out so not all of the chapters are there yet but I have quite a few books of the Bible done and am about 25% of the way through the rest of the Bible I will update this ever time a book is finished so it updates to the purchaser but if you d like to pay ahead of time you can get the books quicker and cheaper now The more books I add the more expensive it will become I ve been working on this for about two years now and will continue to work on it for another likely another six more years to finish the entire Bible hopefully sooner Thank you for supporting my work and I hope it s a useful tool for you as you dig deeper into God s Word It should also be understood I am not a scholar by any means I just like to dig around in scripture and answer difficult questions hence the title of the book Some of my thoughts are taken from much smarter men than me and if I know where the source comes from I will do my best to make mention of it and give credit where credit is due Otherwise these are things I got from my own personal studies and all the stories I give are from personal experience
