My Stars Its Mrs Gaddy:

My Stars, It's Mrs. Gaddy! Wilson Gage, 1991-09-16 Life on Mrs Gaddy's farm is made exciting by a ghost in her kitchen a war with a pesky crow and a vine that will not stop growing **Appalachian Children's Literature**, 2010-04-13 This comprehensive bibliography includes books written about or set in Appalachia from the 18th century to the present Titles represent the entire region as defined by the Appalachian Regional Commission including portions of 13 states stretching from southern New York to northern Mississippi The bibliography is arranged in alphabetical order by author and each title is accompanied by an annotation most of which include composite reviews and critical analyses of the work All classic genres of children's literature are represented *A Landscape with Dragons* Michael D. O'Brien, 2011-05-24 The Harry Potter series of books and movies are wildly popular Many Christians see the books as largely if not entirely harmless Others regard them as dangerous and misleading In his book *A Landscape with Dragons* Harry Potter critic Michael O'Brien examines contemporary children's literature and finds it spiritually and morally wanting His analysis written before the rise of the popular Potter books and films anticipates many of the problems Harry Potter critics point to *A Landscape with Dragons* is a controversial yet thoughtful study of what millions of young people are reading and the possible impact such reading may have on them In this study of the pagan invasion of children's culture O'Brien the father of six describes his own coming to terms with the effect it has had on his family and on most families in Western society His analysis of the degeneration of books films and videos for the young is incisive and detailed Yet his approach is not simply critical for he suggests a number of remedies including several tools of discernment for parents and teachers in assessing the moral content and spiritual impact of this insidious revolution In doing so he points the way to rediscovery of time tested sources and to new developments in Christian culture If you have ever wondered why a certain children's book or film made you feel uneasy but you couldn't figure out why this book is just what you need This completely revised much expanded second edition also includes a very substantial recommended reading list of over 1 000 books for kindergarten through high school

Listen Here Sandra L. Ballard, Patricia L. Hudson, 2003-01-01 Brief biographies and primary secondary source bibliographies are presented for each author Authors of note are Harriette Simpson Arnow Annie Dillard Wilma Dykeman Denise Giardina Barbara Kingsolver and George Ella Lyon **Storytelling with Puppets** Connie Champlin, 1998 In this latest revision of *Storytelling With Puppets* Connie Champlin has polished themes and fine tuned sections to meet today's ever changing programming environment paying special attention to literature based instruction and multicultural themes

Thomas, Catherine Barr, 2004 Because of their popularity books in series are great vehicles for fostering literacy among all types of readers who are almost always adamant about reading every title in the series in series order Yet traditional information sources on children's and YA literature include very little about series fiction so librarians often have difficulty managing this literature This guide will be a rich resource and time saver for librarians who work with children It introduces users to the best and most popular fiction series of today covering more than 1 000 series with over 10 000 titles appropriate for elementary readers Annotations also indicate series and titles accepted by some of the popular electronic reading programs e g Accelerated Reading Reading First A numbered list of titles in the series follows **The Elementary School Library Collection, Phases 1-2-3**, 2000 Gil Talbot, Or, Woman's Manoeuvres and Man's Tactics Annette Marie Maillard, 1857 The Horn Book Guide to Children's and Young Adult Books, 1991 Newbery and Caldecott Medalists and Honor Book Winners Muriel Brown, Rita Schoch Foudray, James W. Roginski, 1992 This is an enlarged version of the 1982 edition updated to include the 1991 recipients It offers the same inclusive listing of Newbery and Caldecott Medal and Honor Books library collections with significant holdings and background readings on each of the 325 award winning authors and illustrators The volume is organised by author illustrator and identifies the first appearance of each title It also includes separate listings of Newbery Medal and Honor Books Caldecott Medal and Honor Books collections a background reading bibliography and an author illustrator title index It has a companion volume Newbery and Caldecott Medal and Honor Books in Other Media and the two books are also available as a set at a price of \$72.00 **Lone Star Confederate** George Skoch, Mark W. Perkins, 2003-02-12 Only eighteen years old when he marched off to war young Confederate Robert Campbell already possessed the keen perceptive eye of a seasoned journalist After fighting with the 5th Texas Infantry Regiment in the famed Hood's Texas Brigade Campbell recorded the first months of his service for the benefit of future generations of his family Now editors George Skoch and Mark W Perkins bring Campbell's riveting eyewitness accounts from the frontline to the public in *Lone Star Confederate A Gallant and Good Soldier of the 5th Texas Infantry* a lively and telling glimpse into a Johnny Reb's life This young Confederate's tale of battle begins with his introduction to the unit in Virginia and continues through to his furlough home after he suffers a serious battle wound at Second Manassas Among the thousands who served in what arguably was the most renowned combat unit in the Southern army Hood's Texas Brigade Campbell holds the dubious distinction of being the most wounded man sustaining six wounds during the course of the war Campbell praises Southern women who cared for soldiers along the railroad line from Richmond to Montgomery and recalls eating ten ears of green corn after three days of short rations and a hard day of fighting He recounts falling asleep on picket duty despite the fear of punishment by death and

describes being under cannon fire and suffering a painful leg injury The terrible conditions of battle eating and sleeping too little marching and drilling too much cleaning weapons and standing watch in the rain and cold are vividly real under Campbell s pen which also praises his leaders Lee Jackson and other Confederate officers Skoch and Perkins have supplemented the record of Campbell s wartime service with his letters written during and after the war His remarkable firsthand account of life in the 5th Texas will find a permanent niche in the literature of the Civil War *Picture Books* ,1994
