My Story Of Jesus:

My Story by Jesus of Nazareth Brendan Butler, 2020 **My Story of Jesus** Jennifer Holder, 2002-07-01 Look inside to learn about who Jesus is and the things that he did **My Story Of Jesus** , 2001 *Tell Me a Story* Robert J. Hater, 2006

Father Robert Hater strongly believes that story without basic belief lacks direction and basic belief without story is lifeless. He illustrates this relationship between story and Catholic belief with sensitive and powerful narratives including the account of his own mother's death and its impact on him. This is an invaluable resource for anyone involved in conveying the story of Jesus and the church: pastors, homilists, catechetical leaders, catechists, and teachers; parish ministers and families, as well as all who wish to find God in their own stories.

Biblical Preaching on the Death of Jesus David J. Lull, William A. Beardslee, 2007-02-01 How can one preach effectively on the death of Jesus to a world jaded by stories of suffering and violence? This exegetical book, written collectively by six authorities on Scripture, sheds new light on the tremendous power of preaching to challenge and enlarge the world of the listeners. By probing the accounts of Jesus' death in the Gospel of Mark and in Paul's letters, *Biblical Preaching on the Death of Jesus* uncovers a vision of divine power and justice that calls us to become partners in God's struggle to overcome suffering and injustice in the world. In the cross, the authors demonstrate we as Christians are given a symbol of both weakness and defeat and of power and victory. This symbol is a magnificent reminder of the redemption and transformation of lives and situations through Christ's identification with suffering. With unusual success, the six authors have written the entire book as a group undertaking. The result is a testimony to the interrelatedness that is central to the vision of process theology. *Biblical Preaching on the Death of Jesus* will be of immense help to preachers and to students and scholars of New Testament interpretation and systematic theology.

My Story Oral Roberts, 1961 *I Am Peter* Dave Keim, 2023-07-27 *I Am Peter* is the story of Peter, the disciple and apostle, as told by Peter himself. I invite you to walk with Peter or perhaps just listen as he speaks to you about the segment of his life from the time he met Jesus through Pentecost in Jerusalem. Peter talks about learning to know Jesus, being called the Rock, walking on water, denying Jesus, the resurrection, and Pentecost. He talks about his doubts, fears, frustrations, joy, guilt, observations, reactions, relationships, and fishing. As you listen to Peter tell his story, you have the opportunity to walk in his shoes and think about what he said or did and imagine what you might have done. Just remember that you are a Jew two thousand years ago and have no knowledge of anything you know today. You have personal contact with Jesus and His teachings, miracles, death, and resurrection. The book is fictional as to Peter's thoughts and reactions, but the things that occur are based on the Holy Bible with actual quotes and references. Peter, as a person, was an ordinary fisherman who enjoyed his work but over time became an extraordinary man. He was blunt, outspoken, and brash, but he also was curious, uncertain, and

fearful to the point of denying Jesus Through it all Peter developed a great faith and passion to spread the Gospel of Jesus Peter was touched by Jesus and perhaps you will be touched in a different way after walking with Peter *The Coming Jesus and the Anthropocene* Ryan LaMothe,2024-02-22 Melting glaciers and icecaps massive forest fires enormous storms extensive and prolonged flooding and desertification of large tracts of land are realities we currently face and will continue to struggle with as a result of climate change Our climate crisis invites if not demands a critical evaluation of our political religious economic and cultural narratives and rituals that give rise to our ways of relating to one another to other species and to planet Earth This book argues that the climate emergency exposes deep problematic roots of Western religious and political paradigms and apparatuses that undergird ideas of and methods for human flourishing In particular Western religious and political philosophies have produced and maintained a radical rift between human beings and other species as well as beliefs about human dominion over other species and the earth These ideas and practices are responsible for the colonization of Nature and for climate change Understanding these sources invites a radical reimaging of our religious ideas and practices Specifically this book proposes a coming Jesus a form of life that traverses the rift while denying human and divine dominion for the sake of recognizing and respecting the singularities and flourishing of all species Coming to Christ Eric O.
