My World Jesse Stuart, 1975-01-01 A personalized travelogue My World chronicles the inspiring story of a poor Kentucky boy who learned how to turn the rough grist of his life into the fine art of literature Jesse Stuart's life centered on W Hollow Greenup County Kentucky and extended to the far corners of the world As a writer teacher and lecturer he traveled to all but one of the United States and to ninety countries on six continents As the core of Stuart's world W Hollow was the place of his birth and his first reaching out to the brown earth and the green shoots growing out of it to the insects and animals that inhabited its wooded slopes to the blue sky and the birds that flashed across it From W Hollow he went out first to Greenup High School then to Lincoln Memorial University then to all of Kentucky and finally to the world In My World we see Stuart's expanding universe through his eyes Through the telescoping essays Stuart slowly extends his vision to encompass more of the world and humanity He is conscious of the social and geographical forces that shaped and defined his life He is also very aware of the forces that draw him home again He saw his beloved Kentucky as many states in one Each region from the east Kentucky mountains to the Jackson Purchase was a unique kingdom Stuart brings Kentucky's varied scenery its people and their distinctive dialects and social customs to life for his readers
