My Golfing Reminiscences Harold H. Hilton,2015-06-25 Excerpt from My Golfing Reminiscences Where did you learn your golf is a question which I have often been asked and I have generally evaded it by answering I began to play the game at Hoylake But candidly it is not true to say that I learnt my game altogether at Hoylake as I have been learning the game all my life and what is more I am still willing to learn if I think I can see anything worth learning A golfer s education is never finished he certainly may forget a little of what he has learnt but he can always pick up some simple wrinkle which may be of use to him in his after career About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **My Golfing Reminiscences - Scholar's Choice Edition**
