My Grandfathers House A Genealogy Of Doubt And Faith:

My Grandfather's House Robert Clark,2000-10-06 In the tradition of Augustine s Confessions Robert Clark tells the story of his return to the Catholic Church through the prism of the religious history of his ancestors Summer Gary Schmidt,Susan M. Felch,Barry Moser,2007 Summer has gone by so fast we often say the only season for which we say that Summer does seem to make us keenly aware of time In our vacations we step out of time Watching our gardens we see the progress of time Seeing the geese come honking back we are aware of the passing of time In essays poems and meditations organized around themes of time and our responses to it twenty five writers consider summer and its spiritual meanings Contributors include Anne LaMott Luci Shaw Ray Bradbury Mary Gordon Richard Selzer Thomas Lynch Celia Thaxter Robert Clark Michael Pollan Francis Bacon Jim Heynen and Emily Dickinson *Root and Fruit* Gary Meaders,2025-06-19 This book examines several aspects of genealogy as it relates to both natural and spiritual relationships It looks at Jesus s two genealogies recorded in the Gospels of Matthew and Luke delineating respectively his royal and priestly lineages It also examines the vital importance that genealogies played in the Israelite nation and religion Within these lineages provided the necessary resources to confirm or deny one s ability to serve as a Levite or descendant of Aaron It differentiates between vain and valid genealogies and their impact upon people s understanding of their own family histories Approximately two hundred sources were reviewed and excerpted as supporting elements They are conspicuously noted perhaps slowing down the flow of the study s narrative However the nature of the call for this work was to restore silent voices those that though long gone are members of the Great Cloud of Witnesses through their lifetimes ministries and character witness This study will acquaint readers with substantial resources to fuel their personal and family genealogical and spiritual journey *Sex and Heaven* John Portmann,2003-03-05 And so the way we worship apparently matters less to God than the way we make love The diagnosis may not be limited to Roman Catholicism for today Jewish Protestant and Muslim communities also struggle to decide what the next world holds for their sexual dissidents Curiously debates over where gay people belong now feed into debates over how much equality women deserve in the West s three major faith traditions **BOOK JACKET**
