**My Life** Sofia Andreevna Tolstaya, 2011-02-21 One hundred years after his death Leo Tolstoy continues to be regarded as

one of the world's most accomplished writers. Historically little attention has been paid to his wife Sofia Andreevna Tolstaya. Acting in the capacity of literary assistant, translator, transcriber, and editor, she played an important role in the development of her husband's career. Her memoirs, which she titled *My Life*, lay dormant for almost a century. Now, their first time ever appearance in Russia is complemented by an unabridged and annotated English translation. Tolstaya's story takes us from her childhood through the early years of her marriage, the writing of *War and Peace* and *Anna Karenina*, and into the first year of the twentieth century. She paints an intimate and honest portrait of her husband's character, providing new details about his life to which she alone was privy. She offers a better understanding of Tolstoy's character, his qualities and failings as a husband and a father, and forms a picture of the quintessential Tolstoyan character which underlies his fiction. *My Life* also reveals that Tolstaya was an accomplished author in her own right, as well as a translator, amateur artist, musician, photographer, and businesswoman, a rarity in the largely male-dominated world of the time. She was actively involved in the relief efforts for the 1891-92 famine and the emigration of the Doukhobors in 1899. She was a prolific correspondent in touch with many prominent figures in Russian and Western society. Guests in her home ranged from peasants to princes, from anarchists to artists, from composers to philosophers. Her descriptions of these personalities read as a chronicle of the times, affording a unique portrait of late 19th and early 20th century Russian society, ranging from peasants to the Tsar himself. *My Life* is the most important primary document about Tolstoy to be published in many years and a unique and intimate portrait of one of the greatest literary minds of all time. The Modern Language Association (MLA) awarded the Lois Roth Award to John Woodsworth and Arkadi Klioutchanski of the University of Ottawa's Slavic Research Group for their translation of Sofia Andreevna Tolstaya's *My Life* memoirs. *My Life* was selected among the top 100 non-fiction works of 2010 by *The Globe and Mail*. It has also won an honourable mention in the Biography and Autobiography category of the 2010 American Publishers Awards for the Professional and Scholarly Excellence (PROSE) awards. And finally, it made it into the Association of American University Presses 2011 Book Jacket and Journal Show. Published in English: STRANGER AT THE GATE Mel

White, 2015-12-08. Compelling, eloquent, and compassionate. We learn as much about growing up in the Christian right as we do about gay life in Mel White's heartfelt and revealing memoir. *San Francisco Examiner*. Until Christmas Eve 1991, Mel White was regarded by the leaders of the religious right as one of their most talented and productive supporters. He penned the speeches of Oliver North. He was a ghostwriter for Jerry Falwell, worked with Jim Bakker, flew in Pat Robertson's private jet, walked sandy beaches with Billy Graham. What these men didn't know was that Mel White, evangelical minister, committed Christian family man, was gay. An engrossing journey to unite sexuality with faith. *Dallas Morning News*. *Stranger at the Gate* details Mel White's twenty-five years of being counseled, exorcised, electric shocked, prayed for, and nearly driven to suicide because his church said homosexuality was wrong. But his salvation to be openly gay and Christian is more than a unique coming out story. It is a chilling exposé that goes right into the secret meetings and hidden agendas of the religious right. Told

by an eyewitness and sure to anger those Mel White once knew best Stranger at the Gate is a warning about where the politics of hate may lead America an important book by a brave man whose words can make us both richer in spirit and much wiser too      **London Town** Felix Leigh,1883      **Daughter Raised by Grandmom** Delia L.
