

YOU'VE EITHER DONE IT OR KNOW SOMEONE WHO HAS: THE ONE-NIGHT STAND, the familiar outcome of a night spent at a bar, sometimes the sole payoff for your friend's irritating wedding, or the only relief from a disastrous vacation. Often embarrassing and uncomfortable, occasionally outlandish, the one-night stand is a social rite as old as sex itself and as common as a bar stool.

Enter Chelsea Handler. Gorgeous, sharp, and anything but shy, Chelsea gives a no-holds-barred account of what can happen between a man and a sometimes very intoxicated, outgoing woman during one night of passion. From her fling with a Vegas stripper to her dalliance with a well-endowed little person, from her tryst with a cruise ship performer to her rebound with a man who likes to play leather dress-up, Chelsea recalls the highs and lows of her one-night stands with hilarious honesty. **MY HORIZONTAL LIFE** is one guilty pleasure you won't be ashamed to talk about in the morning.

"Where have I been all of Chelsea Handler's life? I had no idea how funny, how brilliant she is . . . she is too clever for words."

—LIZ SMITH, **NEW YORK POST**

"Chelsea Handler is a terrific comedian and a hilarious writer."

—JAY LENO

"I laughed out loud and read parts to my husband, my best friend, and my mom (which might have been a mistake). This book is no-holds-barred hilarious."

The Shatzkin Files: The Most Powerful Trends in Publishing Mike Shatzkin, 2013-01-06 Note from the Author I first wrote for publication and pay as an 11 year old covering the Little League for a local paper we're talking 1958 here which was the first tangible payoff for having learned to type properly a year or two before Taking the physical effort out of writing was a key element enabling me to do a lot of it in all the years since Perhaps I wasn't born to blog but I was sure raised to take great advantage of this communication form which has arisen over the past ten years I entered the book publishing business a little later when I was 15 1962 and through my father's connections got employed for the summer selling books in Brentano's With some brief interruptions to get a college education UCLA 1969 and work on a presidential campaign for two years McGovern 1971-72 I've been working in publishing ever since I was sired and mentored by Leonard Shatzkin who made a career out of changing publishing from executive positions in major houses before he created a distribution company Two Continents which employed me in the 1970s and where I learned the fundamentals of the business calling on accounts working with dozens of diverse publishers who distributed through us hiring and training sales reps getting familiar with the annual US trade show then called the American Booksellers Association convention and now called BookExpo America and with the Frankfurt Book Fair Being raised and then employed by Len Shatzkin was a way to get a PhD in publishing with a specialty in change Len's principal interest was the supply chain although we didn't call it that in those days My consulting career began in 1979 primarily selling my expertise in distribution But when the digital transition began I found my true calling synthesizing and articulating how the digital capabilities and the Internet changed publishing At first that change was mostly about how books got found and sold Amazon then Ingram started Lightning Source and almost nothing ever went out

of print anymore and then we got ebooks and it became increasingly clear to everybody in the industry that almost nothing we knew to be true couldn't be overruled by changing circumstances very shortly
