A Light Unto My Path JAY R. LEACH,2013-08-27 Many congregations and church leaders are faced with the collapse of the institutional church culture in America A great number of them have retreated inside their four walls and created church activities to replace their Christ given mission to make disciples and thereby extending His kingdom on earth thy kingdom come Abandoning their mission means they have abandoned their real identity and reason for existence Others have gone to the other extreme by selling out to the culture Their worship service is a form of entertainment with the objective to feel good and be happy Both choices have turned off many saved people and they have left the church In 1998 a Barna poll reflected that 20 million born again Christians had withdrawn their membership Todays poll shows an increase to 115 000 million Many are out there

Matthews, 2007 Transcripts of Radio Talks **Light for My Path: Gleanings from Scripture , The Real Narrow Path into the Hidden Kingdom of God** Joseph Ho, 2015-08-28 This book was birthed as a result of seeing many sincere Christians falling into heresy myths and fairy tales spun by irresponsible preachers who would speak anything in order to gain an audience through lies and deceit The contents of this book are not fictional They were all painstakingly tested and lived in order to test the doctrines learnt in the modern churches This book is dedicated to help those who want to move in the Spirit of God to be truly led by him and not by man made rules and teachings which have no power to manifest the presence of God in their walk The author teaches how to hear from God and the main principles or laws in the kingdom of God that is true kingdom living The author was ordained and called by God through three distinct verses given supernaturally by the Holy Spirit these are Numbers 33 33 Job 33 33 and Ezekiel 33 33

A Light Unto My Path James J. Bacik, Kevin E. Anderson, 2006 There are many books available on creating a good effective homily This book unique in that it is the product of a long standing dialogue between James Bacik a pastor and theologian and Kevin Anderson a clinical psychologist and author offers those who preach theological perspectives and practical advice on proclaiming the word of God The authors move through the process of preparing and delivering a homily from its conception to delivery However they emphasize the focus and function of the homily rather than the theme and how this relates the message of the readings to the human or social concerns of the congregation Here is a one of a kind book that includes empirical data in the form of a survey to explore what works and does not work in preaching It will provide a fresh perspective to those in homiletics courses in seminaries as well as hands on advice for those who already preach Light unto My Path Fr.
