**Desire** Donald G. Ennis, 2021-10-22 Be careful what you desire for a moment of impact *An Undoing* Matthew Hansen, 2019-08-08 We've all been through events in which we feel at least in the moment that there is no coming back Maybe it was a severe break up a fall from grace as a leader an occupational dream shattered a psychological and emotional breakdown or as in many western films you are a leader who has come to the middle of your life the hopes and expectations you held have crashed around you and all of a sudden you feel lost Our brains often translate this as some sort of trauma On paper my life looked perfect married four kids house in the downtown area of one of the best cities in the United States and a vocation that many spend much time and money trying to gain However at some point I lost myself I got swallowed up in the hype and movement and forgot what it was all about I want to invite you into my story and take you on a journey of resilience the same journey that helped me come back better than before the journey that will help you begin to recreate your life
