My Lady Of The Snows:

Design and Agency John Potvin, Marie-Ève Marchand, 2020-05-14 Design and Agency brings together leading international design scholars and practitioners to address the concept of agency in relation to objects organisations and people The authors set out to expand the scope of design history and practice avoiding the heroic narratives of a typical modernist approach They consider both how the agents of design construct and express their identities and subjectivities through practice while also investigating the distinctive contribution of design in the construction of individual identity and subjectivity Individual chapters explore notions of agency in a range of design disciplines and historical periods including the agency of women in effecting changes to the design of offices and working practices the role of Jeffrey Lindsay and Buckminster Fuller in developing the design of a geodesic dome Le Corbusier s Casa Curutchet a re consideration of the gendered historiography of the Jugendstil movement and Bruce Mau s design exhibitions Taken together the essays in Design and Agency provide a much needed response to the traditional texts which dominate design history With a broad chronological span from 1900 to the present and an equally broad understanding of the term design it expands how we view the discipline and shows how design itself can be an agent for social cultural and economic change **The Complete**

The Complete Works of Rudyard Kipling (Illustrated)

Rudyard Kipling, 2024-01-08 Rudyard Kipling's *The Complete Works of Rudyard Kipling Illustrated* offers readers a comprehensive anthology of his literary genius encompassing poetry, short stories, and novels that explore themes of colonialism, identity, and the human experience. The illustrated edition enriches the textual experience with captivating visuals that complement Kipling's evocative prose and immersive narratives. This collection illuminates Kipling's ability to weave complex characters and vivid settings rooted in the socio-political climate of the British Empire, making it a crucial text for understanding late Victorian literature and its intricate relationship with imperialism and cultural exchange. Rudyard Kipling, a Nobel Prize laureate and one of the foremost voices of British literature in the late 19th and early 20th centuries, was born in India to British parents, which profoundly influenced his perspective on the Empire and its subjects. His experiences during his childhood in India, along with his extensive travels and journalistic endeavors, inform the depth and authenticity of his storytelling. Kipling's work often reflects the duality of his identity, both an insider and an outsider, which renders his commentary on colonial life particularly poignant and nuanced. This illustrated collection is a must-read for scholars, students, and literary fans alike. It serves as both an introduction to Kipling's body of work and a celebration of his contributions to English literature. By engaging with this anthology, readers can better appreciate Kipling's enduring legacy and the complexities of the world he portrayed.

Rudyard Kipling, 1919 *Rudyard Kipling For Children - 7 Books in One Edition (Illustrated Edition)* Rudyard Kipling, 2017-11-15 *The Jungle Book* is a collection of stories and fables using animals in an anthropomorphic manner to give moral lessons. The verses of *The Law of the Jungle*, for example, lay down rules for the safety of individuals, families, and communities. The best-known of them are the three stories revolving around the adventures of an abandoned man-cub, Mowgli, who is raised by wolves in the Indian jungle. The most famous of the other four stories are probably *Rikki Tikki Tavi* and *Toomai of the Elephants*. *The Second Jungle Book* is a sequel which features five stories about Mowgli and three unrelated stories, all but one set in India, most of which Kipling wrote while living in Vermont. *The Man Who Would Be King* is a novella about two British adventurers in British India who become kings of Kafiristan, a remote part of Afghanistan. The story was inspired by the exploits of James Brooke, an Englishman who became the first White Rajah of Sarawak in Borneo. *Kim* is an adventure novel about the orphaned son of an Irish soldier and a poor Irish mother who have both died in poverty. Living a vagabond existence in India under British rule in the late 19th century, Kim earns his living by begging and running small errands on the streets of Lahore. *The Just So Stories* are a highly fantasized origin story, especially for differences among animals; they are among Kipling's best-known works. *The Light That Failed*, *Captain Courageous*, *Plain Tales from the Hills*, Rudyard Kipling, 1865-1936 was an English short story writer, poet, and novelist. He wrote tales and poems of British soldiers in India and stories for children. He is regarded as a major innovator in the art of the

Andreas Prime the Legend Home Charles Nickerson, Irene Nickerson, 2013-09-26 It has been 12 months since Beary has arrived at the Academy from his tour aboard the Saber Claw He enjoyed teaching the classes he had been assigned At first some of the older cadets resented the fact that their instructor was younger than they were Then they would see the ribbons on his uniform and hear the rumors Ben of course helped spread them Flight training was going well His many hours in jump ships were proving to be a blessing instead of a curse He expected to graduate early from flight training Caesar had spent six months at the academy then shipped off to aid a hospital ship that had lost one of its surgeons to an accident The Hospital ship was trying to combat a new disease that had cropped up on an agricultural colony in the Darius system Once again his work under Dr Maxumus was

proving invaluable Ben along with taking accelerated classes was teaching a class in survival and weapons Ben had taken to this task with enthusiasm With the help of two of the Marine Professors he wrote the training manual for the course which they used as a major project in two of his classes The class he taught was so popular there was a waiting list Pompey kept busy trying to prepare for the cub which was due in three months running two homes plus working for her new father in law on special issues Senator Maxumus was busy trying to get the Senate to strengthen its rules He did not want to see new conspiracies flair up The idea that eight senators some in critical positions could become traitors had shaken the Senate The Bearilian house of Representatives was demanding a full and open investigation as it scrutinized its own members The Arcrilians had suffered such a devastating defeat that they were asking for terms for a treaty and for aid The Bearilian President immediately started negotiations along with the Antillean Supreme Council The result was the removal of all Arcrilian ships from Bearilian and Antillean territory in exchange for food and raw materials purchased at a reasonable price For the Antilleans this was a big win For Angelina Maxumus the last 12 months had been hectic as she tried to balance her time between Bearilia Prime and Andreas Prime She enjoyed being a Neuro surgeon a lot more than being an Empress She even found that she had to show up at State functions not as a wife of a prominent Senator but as a Head of State There had also been a need to appoint representatives to the two Bearilian Houses One of her second Brother s sons Iacomus Augustus had joined his cousins on Andreas Prime He found some unclaimed land near the western ocean connected to the Augustan land A young Dragon Silver Tail agreed to be his Family Dragon The Dragon Counsel suggested that he be appointed as the Planet s Senator A young nomad also moved to Andreas Prime He had no family or land A young Dogon Saraina approached the Dogon Counsel and asked that this young Nomad be given its sheep and become its family His name was Khristophoros The Dogon Counsel gave him the last name Theodoros Khristophoros Theodoros was called before Angelina She questioned him for several cycles She found out that he had been part of a servant family to the Pompaius family She found goodness and strength in this young Bear After talking with both counsels she appointed him to the House of Representatives He would prove to be a loyal and excellent choice Savato Artemus was not happy He loved the Crimson Blade but he could not find a gunner that met his standards He also missed his friends Captain Centaurus found he hated the paper work of a ships captain as much as Atilus had Yet he loved the Saber Claw especially with the new upgrades Commodore Atilus was a taskmaster with his Destroyer Squadron Only Centaurus had no complaints Yet Destroyer Squadron 9 was shapin
