From across a field of battle, English knight Alexander Lord Hardwyck spots the object of his desire and his conquest: Scottish traitor Lady Chloe. Her lies could be her undoing. Abandoned across the border and disguised for her safety, Chloe realizes the man who besieged her home in Scotland has now become her savior in England. Her life in danger, she vows to keep her identity secret lest she suffer his wrath for he wants her dead. Or love could claim them both and unravel two countries in the process. Alexander suspects Chloe is not who she says she is and has declared war on the angelic vixen who's laid claim to his heart. A fierce battle of the minds; it will be for once the truth is revealed, they will both have to choose between love and duty.

In a world long ago ravaged by the fires of war, a new empire has been forged. Rising from the ashes of what once was, it serves to enfold the last vestiges of humanity. Now, however, its reigning sovereign declares that all who do not share in his own understanding of faith are to convert or be put to the stake. From the chaos that ensues, two arise who strike back at their oppressors and set into motion the wheels of prophecy. Two young women, sisters separated at an early age, raised within the wild as a part of nature herself, find themselves caught in extraordinary circumstances and drawn ever closer within the web of fate. Together, they shall give back to the land its freedom and its soul.
