Darlene Deangelis,2017-02-28 Every poem you will be reading in my first book of many is a story of my life I began writing these poems back 1985 not realizing until now why I have written poetry I have done a lot of healing in this broken heart of mine I give all the glory to my Lord Savior Jesus Christ for instilling this gift within me before I was born I call these poems my songs in motion my authentic self expression through words My hearts desire is to give hope to people in this world and let them know they are not alone but there is someone who has been through what they are going through and that there is light at the end of the dark tunnel that they travel in with all their trials and tribulations *My Life in a Poem* Noaella Eley Bryant,2017-04-07 My Life in a Poem is true story made up into a poem that the author and poet Noaella Eley Bryant lived It felt to her like she was blowing up a balloon and all her hurt pain sickness and depression was filling up inside the balloon while she release these poems to you She has given you all the juicy details and secrets of her life in her very own poems This book consists of stories made into a poem about Noaella her children her past relationships friends and her enemies This book may be read at your own discretion and may need some parental guidance if you allow your child to read it This book is designed for adults to read **Poetry from the Heart of a Woman** Mrs. G,2010-06-07 Poetry expressed in a candid frank and sometimes thought provoking detail with life references to ponder upon Poetry that expresses a family connection friendship love and relationships with an afterthought inspired through The Divine Book The Bible says there is nothing new under the sun well the author illustrates that text with references quoted that relate to the poetry We all can relate to this poetry because we all have these connections either personally or through others This is a contemporary way to read poems Some may make you smile or cry or look over your shoulder as though someone were talking to you Poetry was and is a key to the soul It is meant to either take you out of reality or wake you up to reality This book of poems does both with the author's poem on Aids Jail and Heaven If you are a child a mother a father a sibling a friend have a significant other have lost a loved one are concerned about others all these topics relate to a poem in this book This book talks to both men and women with quietness and boldness It is bold with How Dare We and Enough and quiet with Anew and Sweet as Pie This is a book to read no matter if you are 15 50 or 99 you will receive something from it So open it up and take a walk into the heart and you don't have to be a woman to look into your heart Think of Shakespeare or Langston Hughes We would not be alive if our heart wasn't beating to a rhythm So tune into this woman's heart of poetry and perhaps spark something in yours My Poems/ My Life R. Richard Craig Jr.,2019-08-13 This book is about my life experiences as written in my poems **My Life in 26 Poems** John F McMullen,2021-06-13 Twenty six poems that together tell my life's story to date **Poems for Your Soul** Cenca King,2022-12-06 Poems for Your Soul is full of encouraging poems that will not only encourage readers but will also brighten their darkest moments Cenca has transformed his life lessons from scripture to present a vivid picture of the beauty that constantly surrounds us Poems for Your Soul displays God's goodness and demonstrates how to overcome the trials or

Michael, 2023-10-24 Author's Introduction Navigating the Depths of the Mind Welcome to a journey that transcends the ordinary and ventures into the extraordinary landscape of the human experience My journey as an author began in the shadows of depression and anxiety where I unraveled the complexities of the human psyche Through introspection and the transformative power of poetry I found my way out of the labyrinth of my own mind offering readers a unique path toward understanding and healing Join me in Anxiety and Depression Poems from the Depths of the Soul as we explore the profound interplay of emotions confront darkness and illuminate it with introspective verse ultimately embarking on a journey of self discovery and resilience Author's Introduction Unlocking the Depths of the Mind Imagine diving into the uncharted waters of the human psyche exploring the hidden caverns of the soul and deciphering the cryptic language of emotions That's where my journey as an author truly began not in the light but in the shadowy depths of depression and anxiety For years I found myself entangled in the intricate web of these two formidable adversaries trapped in a relentless struggle to understand the whispers of my own mind It was a labyrinthine voyage where darkness held hands with despair and anxiety painted intricate mazes of doubt But within this labyrinth I discovered the power of introspection and the healing magic of words I learned that the emotions that once seemed like turbulent storms could be transformed into poetry each verse a lifeboat navigating the tumultuous sea of the soul These poems became my lifeline a way to navigate the treacherous waters of my own thoughts and ultimately a path toward the light Through this book Anxiety and Depression Poems from the Depths of the Soul I invite you to join me on this unique journey It's a journey that transcends the ordinary and ventures into the extraordinary landscape of the human experience Together we will explore the intricate interplay of emotions confront the darkness within and illuminate it with the poetic power of introspection As you turn the pages you'll discover not only the depths of my own struggles but also the resilience of the human spirit It is my hope that these words will resonate with you offer solace in your own moments of darkness and inspire you to confront and conquer the emotional maelstrom within What you will find in this book Discover the Emotional Universe As if traveling through a cosmos of feelings you will explore the depths and heights of human emotions uniquely revealing how complex the experience of anxiety and depression can be Verses Like Feathers of a Bird Poems are like the feathers of a bird flying deep into the soul enveloping you in the beauty and grace of words Each verse will gently carry you through a range of emotions The Theater of Human Emotions This book is a theater of human emotions with dramatic acts of anxiety and depression as well as moments of light and transformation You will feel like you are on stage experiencing every word Navigating the Rolling Waves of Healing Words and verses will guide you through a tumultuous navigation of inner healing offering you tools to find your balance and peace Returning to Self In the middle of the book you will discover that poetry can be a means of returning to oneself of rediscovering authenticity and of deep connection with your own essence      **My Story Through Poetry** Sharon Newmann, 2012-09 This book summarizes my life

and how I went from adversity to despair and how I achieved victory and triumph after a long struggle with Depression It is a message of hope for those who have been abused and that there is a light at the end of a very dark tunnel It is through Christ and gaining help from Christian individuals who greatly impacted my life by sharing their stories of triumph over despair due to abuse in their childhoods They taught me HOW TO LIVE LIFE in a seemingly hopeless state of mind I give honour and praise to our wonderful GOD and my LORD JESUS CHRIST who is also my BEST FRIEND I hope the reader is encouraged and helped by my sharing my story interspersed with the poems the Lord gave me in my struggles and afterwards poems of victory JESUS remains my best friend and I hope He will be yours too      Women on Poetry Carol Smallwood,,Colleen S. Harris,Cynthia Brackett-Vincent,2012-01-23 In these 59 essays published female poets share a wealth of practical advice and inspiration Aimed at students and aspiring and experienced poets alike the essays address such topics as the women s collective writing experience tips on teaching in numerous contexts the publishing process and essential wisdom to aid the poet in her chosen vocation      My Life in a Poem - Volume I David Desautel,2009-09-15 An emotional chronology of my life captured in poetry I have never written poetry with the intention of having it read by others except a special someone I write to release an emotion or express an idea Once written the poem becomes part of me but the emotion is released Even though I have always been shy and introverted I have long since learned to expose myself to others without fear I write the kind of poetry that I enjoy reading which may seem too simple or boring to some My philosophy is that what the poem is saying is more important than how it is written so a simple easy to read style is preferred Volume I contains the poetry that I wrote early in life my late teens and early twenties The time period was approximately 1968 through 1974 The major events reflected in these poems included such things as falling in love for the first time seeing the destructiveness of the drug culture meeting my first wife getting married getting drafted into the Army going through basic training and Advanced Infantry Training AIT spending thirteen months in Vietnam coming home having my marriage fall apart and the separation from my marriage      Make a Change (A Collection of Poems) Zohra Gilani,2016-06-29 We all want to make a change but don t know how to do it Well there are many ways that you can make a change and Zohra lays it all in line in poetry
