

A romantic couple is shown in a close embrace, their faces nearly touching. They are standing in a field of tall, golden-brown grass. The lighting is warm and soft, suggesting a sunset or sunrise, creating a romantic and intimate atmosphere. The couple is positioned in the center of the frame, with the man's arms wrapped around the woman.

In spite of myself, you are my truth.  
you are my constant. You are my  
proof of life. You are my vital sign.  
With you, I more than breathe-I live.

Bergeron, 2002-04 What can we know of the private lives of early British sovereigns Through the unusually large number of letters that survive from King James VI of Scotland James I of England 1566-1625 we can know a great deal Using original letters primarily from the British Library and the National Library of Scotland David Bergeron creatively argues that James' correspondence with certain men in his court constitutes a gospel of homoerotic desire Bergeron grounds his provocative study on an examination of the tradition of letter writing during the Renaissance and draws a connection between homosexual desire and letter writing during that historical period King James' commissioner of the Bible translation that bears his name corresponded with three principal male favorites Esm Stuart Lennox Robert Carr Somerset and George Villiers Buckingham Esm Stuart James' older French cousin arrived in Scotland in 1579 and became an intimate adviser and friend to the adolescent king Though Esm was eventually forced into exile by Scottish nobles his letters to James survive as does James' hauntingly allegorical poem Phoenix The king's close relationship with Carr began in 1607 James' letters to Carr reveal remarkable outbursts of sexual frustration and passion A large collection of letters exchanged between James and Buckingham in the 1620s provides the clearest evidence for James' homoerotic desires During a protracted separation in 1623 letters between the two raced back and forth These artful self-conscious letters explore themes of absence the pleasure of letters and a preoccupation with the body Familial and sexual terms become wonderfully intertwined as when James greets Buckingham as my sweet child and wife King James and Letters of Homoerotic Desire presents a modern spelling edition of seventy-five letters exchanged between Buckingham and James Across the centuries commentators have condemned the letters as indecent or repulsive Bergeron argues that on the contrary they reveal an inward desire of king and subject in a mutual exchange of love
