My Little About Jesus And The Children:

The Ladies' Repository ,1862 The idea of this women s magazine originated with Samuel Williams a Cincinnati Methodist who thought that Christian women needed a magazine less worldly than Godey s Lady s Book and Snowden s Lady s Companion Written largely by ministers this exceptionally well printed little magazine contained well written essays of a moral character plenty of poetry articles on historical and scientific matters and book reviews Among western writers were Alice Cary who contributed over a hundred sketches and poems her sister Phoebe Cary Otway Curry Moncure D Conway and Joshua R Giddings and New England contributors included Mrs Lydia Sigourney Hannah F Gould and Julia C R Dorr By 1851 each issue published a peice of music and two steel plates usually landscapes or portraits When Davis E Clark took over the editorship in 1853 the magazine became brighter and attained a circulation of 40 000 Unlike his predecessors Clark included fictional pieces and made the Repository a magazine for the whole family After the war it began to decline and in 1876 was replaced by the National Repository The Ladies Repository was an excellent representative of the Methodist mind and heart Its essays sketches and poems its good steel engravings and its moral tone gave it a charm all its own Cf American periodicals 1741 1900 *Letters of St. Therese of Lisieux, Volume I* St. Therese of Lisieux,2014-07-07 Letter writing at the end of the nineteenth century was an important activity for the people of France Those who received letters from family and friends alike usually kept the hand written texts sent to them as precious gifts That is why this collection of letters by and to one of the greatest saints of modern times is so interesting to us today No mere notes slapped together in distracted haste the missives found in this volume reveal communications of warm personal sentiment along with expressions of lively spiritual development Th r se s efforts as a fifteen year old to enter Carmel before reaching the required age appear in revealing detail This tortuous course of a very subtle diplomacy is set out not only by the letters of Th r se herself but also by those of so many others who shared her hopes and eventual victory The translator editor gives us 75 pages of introductory remarks to Th r se s letters This volume also includes 4 pages of facsimiles of Th r se s letters **Zion's Watch Tower and Herald of Christ's Presence** ,1921 **The Weekly welcome [afterw.] The Welcome** ,1875 **The Quiver** ,1872 V 12 contains The Archer Christmas 1877 **The Children's Friend** William Carus Wilson,1861 The Christmas Carol Reader William E Studwell, Frank Hoffmann, B Lee Cooper,2012-10-12 Like that Biblical astronomical star of Bethlehem The Christmas Carol Reader guides readers on their quest for information about Christmas songs Studwell gathers a composite picture of the world s most important and famous carols and includes an ample selection of lesser known Christmas songs All of the carols are presented in their historical and cultural contexts which adds to readers understanding and appreciation of the songs As the only book that covers this elusive topic The Christmas Carol Reader informs and entertains readers on over 200 songs of all types sacred and secular of all periods Middle Ages through the 20th century and from a number of countries and cultures Because many of the songs in The Christmas Carol Reader fit into more than one distinct category Studwell
