fairy tale The letters offer an interesting version of the evolution of sexual knowledge from childhood through adolescence The second piece The Devil His Grandmother 1922 merges sexuality with religion encapsulating three ages of woman child to a lost soul and the Devil s bride to the Devil s Grandmother Written in charmingly convoluted dialogue this work has a cinematic fanciful feel Both pieces dispense with academic formality and point to a relaxed new phase in Salome s writing life Interestingly this tone can also be detected in her blossoming correspondence with Sigmund Freud which contrasts starkly with her sombre letters to Rainer Maria Rilke It is with the spirit of free thinking demonstrated in these two selections perhaps informed by Salome s experimentation with free association that the reader is transported to a new theatre of Salome s imagination
