My Little House Songbook:

My Little House Songbook Laura Ingalls Wilder, 1995 *My Little House Songbook* Laura Ingalls Wilder, 1996-03-01 **The Ingalls Wilder Family Songbook** Dale Cockrell, 2011-01-01 URL <https://www.areditions.com/rr/ra/a071.html> The eight Little House books by Laura Ingalls Wilder 1867-1957 anchored in her family's history and filled with memories of frontier life are cornerstone classics in American children's literature. Embedded in them are citations to 127 pieces of music from parlor songs, stage songs, minstrel show songs, patriotic songs, Scottish and Irish songs, hymns and spirituals to fiddle tunes, singing school songs, play party songs, folk songs, broadside ballads, catches and rounds. No books in American literature of comparable standing and popularity feature America's vernacular music so centrally; assign it such a major narrative role and index it in such rich abundance. This edition is a reconstruction of the family songbook based on the music referenced in Wilder's books. Although no such object ever existed, her representations of music making have likely informed the imaginations of more Americans than many a paper and binding anthology for what millions of readers have come to know about America's musical heritage: is what they learned from the Little House books: the titles and lyrics to songs, how songs and tunes functioned where they were heard, what they meant, the importance of music to individuals, families and communities. Wilder's references and her evocative images of music making thus form the basis of understanding about American music to many readers. The Ingalls Wilder Family Songbook is an effort to give fresh voice and sound to the music inscribed in these great books and new appreciation about how music functioned during a place and time important in American history and mythology. *Little House Social Studies Curriculum Guide* Mary E. Jeffries, 2005 Engage your elementary students' imagination with a year-long immersion in 19th Century America. This structured curriculum guide takes your class through the entire Little House 9 Books Boxed Set in one school year by reading just 10-15 pages a day. The compelling narrative and rich character development of the stories, stimulating discussion topics, fun hands-on activities and supplemental readings will make Social Studies a favorite subject in your classroom. **U.S. History Through Children's Literature** Wanda Miller, 1997-03-15 Allow students to step back in time to experience the thoughts, feelings, dilemmas and actions of people from history. For each history topic, Miller suggests two titles: one for use with the entire class and one for use with small reading groups. Summaries of the books, author information, activities and topics for discussion are supplemented with vocabulary lists and ideas for research topics and further reading. This integrated approach makes history meaningful to students and helps them retain historical details and facts. **A to Zoo** Rebecca L.
