intimately Hollywood especially about the men and women her lucky stars who touched and challenged her life She talks candidly and personally about Her wildly unconventional marriage to Steve Parker As soon as we met I knew my life was to take a new course Our connection had the shock of destiny to it There was nothing I could have done to alter or avoid the experience we were intended to have together Her friendship with the Rat Pack especially Frank Sinatra I was comfortable and friendly being around the guys in the group because I was perceived by most of them as a mascot I was the only woman they allowed in the house but that was because there had been a kind of communal decision made that I wasn't really a girl I was a pal maybe even one of the boys The movie she made with Dean Martin and Jerry Lewis Dean not Jerry was the funny one to me His humor was subtle spontaneous a result of the moment Jerry's was brilliant but usually premeditated And much much more
