#### **My Lustful Adventures:**

A Nocturnal Meeting: My Lustful Adventures Ramrod, The episode I am about to relate happened when I was still a very young man not over expert in the pursuit and methods of amorous pleasure and with my tastes still crude and my powers only suspected and guite undeveloped True I had made acquaintance with the mysteries of the female form by the medium of an occasional rough and tumble with one of the maids and later had been promoted to the dignity of rogering a willing friend of my sister's but these damsels were all plain not fancy fuckers and had no idea of employing anything but a naked cunt for the delights of fornication They seemed perfectly satisfied with a straightforward hump and would certainly have been horrorstricken at the suggestion of those amenities in which I afterwards became a connoisseur My first awakening to the extended possibilities of coition came in this wise Passing one night along a rather unfrequented thoroughfare I was fortunate enough to rescue two ladies from the grasp of a couple of roughs who had bailed them up intent on plunder A quick dash and a hurried blow or two sent them off in a flurry and I turned to reassure the distressed beauties One was a lady of ripe charms with flowing figure and a face still handsome and attractive The other was a charming girl of about nineteen who proved to be her daughter. The elder woman still well under forty looked desirable enough to give any fellow a satisfactory cockstand They were profuse in their gratitude not the less probably because they noticed I was young scarcely more than a boy and as they were good enough inform me afterwards by no means bad looking They suggested I should accompany them home which of course I was nothing loth to do No young fellow dislikes being petted and made much of by a couple of amiable women I hadn t the least idea however of the good fortune that awaited me When we arrived at the house they would not hear of my leaving without entering It was evident from the interior they were in easy circumstances and I ascertained they were the only occupants except for the servants Once inside Mrs Aintree as I will call her embraced me warmly kissed me repeatedly and exclaimed How can I thank you my dear Mr Temple we had exchanged names on the way You have saved us from being robbed and probably worse We were too terrified by those hooligans to scream for I feared if we did the brutes would knock us about and very likely after they had plundered us we should have been thrown on our backs and ravished Oh to think of being mauled by those ruffians The good lady shuddered but somehow I already had a faint suspicion it was not the idea of being fucked out of hand she objected to so much as the fucksters In the full light I could better appraise the charms of my new friends It certainly did not conduce to a feeling of monastic calm on my part to have a full voluptuous bust pressed warmly against me or to perceive when my arm went involuntarily round her waist one leg gripped between a pair of solid thighs and behind them a big soft bottom Nor was it likely to lead to excessive self control to notice a handsome well built girl standing by with moist eyes coral lips and flushed face evidently highly approving and enjoying her mother s abandon I of course modestly disclaimed having done anything in particular and airily asserted those sort of fellows were ready enough to tackle lonely women but not a resolute man My Lustful Adventures Anonymous, Ramrod, 1996 Mv

If I'm Gonna Love You Rena A. Finney, 2008 Patrice Henderson's future is so bright she has to rock her Dolce Gabbana shades at all times but living the good life isn't all that it seems With her girls by her side she has always been able to make things happen in her life but there's one thing missing that special someone Bryan Chambers is determined to be all the man

Patrice will ever need He is set on capturing her heart regardless of the obstacles Patrice throws in his way Bryan knows he can be Patrice's silver lining once she is ready to give up her search and let him into her heart A Study of Erotic Literature in England W. v. Murat, 2019-09-24 The present work fills a gap as it attempts to offer a history of erotic literature published in the United Kingdom The word Study in the title is perhaps a bit exaggerated as the material is largely taken from the now well known bibliographies by Pisanus Fraxi Henry Spencer Ashbee and quotations from the books themselves The time line is WW II Who was the author He may have been Charles Reginald Dawes 1879 1964 who is supposed to have written but not published a text of this or a similar title His profession or his activities are not known he once called himself a writer but library catalogues credit him only with two publications The Marguis de Sade Paris 1927 and Retif de la Bretonne London 1946 privately printed He may have been a popular writer under pseudonyms though Dawes owned a good erotica collection which he willed to the British Museum Library that would explain why the author of this Study if he was Dawes could quote freely from erotic texts which only few of his contemporaries would have had available The main merits of this book are that the author was thoroughly familiar with English and French erotic literature and that he put his material in chronological order and in context The editor added a number of references illustrations and indices of personal names and titles to facilitate navigation **Confessions of a Broken Man** Stallon Anderson, 2018-05-23 Where do I begin to tell this fiasco of a journey that once was my life How do I sum up 38 years living on a tiny island that was well known for drug trafficking rape incest and political corruption And what might be the consequences of unravelling secrets that until now noone dare reveal Today I share my story the story of a man who has gone through tumultuous times living the role of both Victim and Perpetrator What I describe here is not to hurt anyone or to gain sympathy It is my way to healing and a call to inspire others who may need it 21st-century Gothic Danel Olson, 2011 Selected by a poll of more than 180 Gothic specialists creative writers professors critics and Gothic Studies program developers at universities the fifty three original works discussed in 21st Century Gothic represent the most impressive Gothic novels written around the world between 2000 2010 The essays in this volume discuss the merits of these novels highlighting the influences and key components that make them worthy of inclusion Many of the pioneer voices of Gothic Studies as well as other key critics of the field have all contributed new essays to this volume including David Punter Jerrold Hogle Karen F Stein Marie Mulvey Roberts Mary Ellen Snodgrass Tony Magistrale Don D Ammassa Mavis Haut Walter Rankin James Doig Laurence A Rickels Douglass H Thomson Sue Zlosnik Carol Margaret Davision Ruth Bienstock Anolik Glennis Byron Judith Wilt Bernice Murphy Darrell Schweitzer and June Pulliam The guide includes a preface by one of the world's leading authorities on the weird and fantastic S T Joshi Sharing their knowledge of how traditional Gothic elements and tensions surface in a changed way within a contemporary novel the contributors enhance the reader s dark enjoyment emotional involvement and appreciation of these works These essays show not only how each of these novels are Gothic but also how they advance or change Gothicism making the works

both irresistible for readers and establishing their place in the Gothic canon The Romance of Lust Anonymous, 2021-11-24 The book was written and published anonymously in four volumes during 1873 1876 and is well known as a vivid example of an erotic novel in the Victorian era It starts as a story of a 14 year old lad who experiments with sexual sensations with his two younger sisters As the story evolves the protagonist gets in different situations to satisfy his sexual appetites which grow as he gets older The book covers all possible scenarios of sexual experiments including the forbidden ones like incest and pedophilia Besides the book includes stories about orgies masturbation homosexualism lesbianism and other tabooed topics in the Victorian era Therefore this book is attractive in scholarly research and used as an example of mid nineteenth century pornography The Secret Life of EL James Marc Shapiro, 2012-12-17 Everyone wants to know how EL James a middle aged mom of two from the London suburbs became the best selling author of all time with over a million books selling worldwide in less than a year and now a major motion picture Read this book to find out exactly how she did it Inside you ll learn how she wrote her first draft based on Twilight fan fiction and how she rewrote it as the book we know and love today the rough and tumble process of editing and how she assembled a group of dedicated fans herself that brought this smutty masterpiece to the rest of the world Inside these pages is the step by step process by which this middle aged British mother came up with the international best selling erotic romance series that has sold more copies than Harry Potter and Gone with the Wind combined NY Times best selling biographer Marc Shapiro uncovers the inspiration and secrets behind this writing sensation explaining how she did it with exclusive interviews with her editors and early fans
