My Mom:

My Mom Had An Abortion Beezus B. Murphy, 2021-12-23 *My Mom Had an Abortion* is a unique coming of age tale told by a self described dyslexic asexual lesbian feminist teenager and illustrated by body positive comic artist Tatiana Gill We follow our protagonist Beezus B Murphy as she chronicles her evolving understanding of menstruation reproduction and abortion and finds her place in a confusing world Initially influenced by harmful narratives in pop media such as the the pregnant teenager cliché we watch Beezus's ideas change as her body changes and as she learns more about the intricacies of her family history and her mom's own reproductive experiences She grows from a confused out of place kid into a self assured empathetic and strong willed activist teen As Beezus says People shouldn't be shamed for getting or not getting abortions Young people absorb the information that we gather from our surroundings Sometimes it's good information and other times it can be harmful But now I realize abortion is perfectly normal and should be kept safe and legal Sprinkled with pop culture references hilariously apt descriptions of unwanted body changes and menstruation like the chapter Blood Bath and Beyond and instantly understandable revelations of growing up this beautifully illustrated short graphic novel crucially fills a cultural gap around complexities of abortion pop culture body changes and finding out where we fit in **Sound of Silence** Dr.
