Body Trap Lassiter, Pumphrey, 2015-08-14 Bernie awakens to darkness and thinks he's dead There's no other explanation He can't move or see he's surrounded by nothingness He's dead right Yet as he reflects on his life there's a rather gaping empty space where his death should be He can't remember the circumstances of his untimely demise which is when he realizes he's not dead at all He's in a state of coma but he can hear voices around him He's alive but he can't make contact with the living world Only then does he again begin to reflect on his life not life but lives His current existence his current body is one of many beginning in the Spanish Inquisition when Bernie was executed for witchcraft The touch of magic has followed him throughout his remaining lives Loved ones are found and lost again over decades and then centuries Bernie's consistent rebirth is due to his use of witchcraft to mess with preordained destiny He's utterly defenseless in his current state but he must find a way to fight those who mean him harm Otherwise this will be his last incarnation and it will not end well
