My Name Is Martha Brown:

My Name is Martha Brown Nicola Thorne, 2001 *A Bride and No Wife. A Novel* afterwards MOSSE ROUVIÈRE (Henrietta), 1817 **Lost Mountain** Anne Coray, 2021-03-16 The searing debut novel of poet and writer Anne Coray *Lost Mountain* is an impassioned story of love loss environment and politics against a landscape facing threat of destruction Anne Coray the author of three poetry collections has brought her observational and writing skills to fiction that demonstrates both her attention to language and her passion for her home place *Lost Mountain* is many things a love story between the two main characters a portrait of a small and isolated community a mystery a paean to salmon and lives that surround salmon a not very disguised critique of a megamine project and an example of eco fiction environmentally conscious literature Anchorage Daily News When news of an open pit mining project hits the remote Alaskan hometown of Whetstone Cove young widow Dehlia Melven barely takes in the town's nervous chatter The Ziggurat corporation promises the mine will be fifteen times larger than all the mines in Alaska combined but Dehlia's thoughts are consumed by the loss of her late husband and the future of her security At least the new arrival of solar energy expert Alan Lamb brings a distraction and a different dynamic to the small community one that's surprisingly more interesting than expected For Alan Whetstone Cove offers a fresh start to a job away from all the bureaucracy and politics he'd been running away from Plus there's Dehlia the beautiful and enigmatic artist who begins to occupy more and more of Alan's thoughts But with Ziggurat's looming presence he knows it is only a matter of time before the corporation would take over his livelihood as well as the town's way of life He can't bear the thought of being connected let alone paid by Ziggurat yet leaving would also mean losing Dehlia forever Inspired by the Pebble Mine project in Alaska *Lost Mountain* is an exploration on the interconnectivity of the natural world woven into the narrative of people's strength and resistance Readers will enter a familiar world where environment plays an encompassing role in not just politics of society but in real relationships and careers and in the hopes and dreams we dare to have **The Goings on of Mrs. Brown at the Tichborne Trial and in Her Own Family, with the Sad End of the Unfort'nate Lady Thro' A' Writin of Books** Mr. Brown, 1872 *Moments That Take Your Breath Away* Rev. James W. Moore, 2010-09-01 As the saying goes It's not the number of breaths we take it is the number of moments that take our breath away Every now and then and more often than we realize God breaks into the routine and gives us one of those awesome moments so powerful so amazing so beautiful that time seems to stand still How long has it been since you had one of those moments I have had many moments like that Some were quite dramatic some were quite memorable and some were just too beautiful for words Do you remember the first time you saw the ocean or a majestic mountain range or a breathtaking sunset with colors so amazing that you find yourself thinking Only God could do that As we explore in this book some of the many different kinds of moments that take your breath away it is my hope and prayer that we will all become more aware of and receptive to the myriad breathtaking moments that God has in store for us James W Moore adapted from the introduction Contains twelve

chapters plus an introduction Each chapter of the book features a key passage of Scripture and focuses on a key theme A study guide is included The goings on of mrs. Brown at the Tichborne trial and in her own family. By mr. Brown George Rose,1872 **Last Chance** Jason Manning,2003-12-07 Aging gunslinger Ethan Payne takes the job as regulator for a Wyoming cattlemen s association When an innocent man is killed Payne s spirit dies along with him Now it s the outlaw who needs to be rescued and Buffalo Bill Cody is the one to do it Original **All Under One Father in Heaven** Rachel Vanderwood,2022-01-17 With her best friend and fellow Guardian captured by Satan s army of darkness leaving her alone to defend the mortals to which they had been assigned Trinity anxiously awaits the decision of God to either call her back to heaven or reassign her Determined to avenge her fellow guardian angel and bring justice to those who took him from her she is elated when the archangel Michael delivers to her the news that God has in fact decided to allow her to remain in England and continue her quest to protect the mortals there as well as seek out and rescue her friend with the assistance of one of heaven s grounded agents Although at first eager to establish a trusting relationship with her new partner Trinity soon finds her once confident attitude to quickly be uprooted and deflated when she learns the identity of the immortal that has been assigned to assist and protect her while she remains on earth As she struggles to accept and come to the understanding of why God had assigned this particular agent to aide in her fight Trinity quickly learns that his value far supersedes her initial biases against him In their search to find Kellan both Trinity and Jarrik discover unexpected hidden secrets behind Trinity s origins and both come to learn why each was as important as the other to succeed in what they were sent to do **Murder, Magic, Madness** Davies Owen,2014-05-22 In 1856 William Dove a young tenant farmer was tried and executed for the poisoning of his wife Harriet The trial might have been a straightforward case of homicide but because Dove became involved with Henry Harrison a Leeds wizard and demonstrated through his actions and words a strong belief in magic and the powers of the devil considerable effort was made to establish whether these beliefs were symptomatic of insanity It seems that Dove murdered his wife to hasten a prediction made by Harrison that he would remarry a more attractive and wealthy woman Dove employed Harrison to perform various acts of magic and also made his own written pact with the devil to improve his personal circumstances The book will study Dove s beliefs and Harrison s activities within the rural and urban communities in which they lived and examine how modern cultures attempted to explain this largely hidden mental world which was so sensationally exposed The Victorian period is often portrayed as an age of great social and educational progress This book shows how beliefs dismissed by some Victorians as medieval superstitions continued to influence the thoughts and actions of many people viz most famously Conan table tapper Doyle *Poochie* Rebecca Jones,2013-10-10 Heartwarming insightful and often laugh out loud funny Poochie is a story about the unbreakable bond between man and his best friend and an eternal love that transcends all time A tail wagging touching novel that will charm all animal fans out there It will change your view of our furry friends forever *Blackwood's Edinburgh Magazine* ,1846 **William and**
