My New York:

My City, My New York Jeryl Brunner, 2011-10-04 What do famous people love to do during their free time in the Big Apple Like all New Yorkers even the well known among them have cherished rituals that connect them to their city in a unique way favorite restaurants delis museums parks galleries landmarks haunts and hideaways For one resident it may be watching tango dancers on Saturday nights in Central Park for another it s riding a bike over the Brooklyn Bridge to get a slice of Grimaldi s pepperoni pizza and a view of the Manhattan skyline from across the East River Perhaps it entails choosing from the many varieties of bread at Rock Hill Bake House in the Union Square Greenmarket or simply walking across 46th Street and ending up at the great Broadway hangout Angus McIndoe In a refreshing step beyond the usual travel guides and tourist listings My City My New York quotes VIPs and gives readers something truly unique a chance to experience Manhattan the way its most notable luminary residents do The activities and establishments included are diverse often eclectic and most importantly nonexclusive you don t need to be a celebrity to enjoy them While offering new and creative possibilities for exploration My City New York is also a love letter to the Big Apple and will touch even the most jaded New Yorkers Celebrities include Matthew Broderick Woody Allen Bette Midler Joan Rivers Donald Trump Chris Noth Mayor Michael Bloomberg Alex Rodriguez

New York, My Village Uwem Akpan, 2025-04-25 Exuberant storytelling full of wry comedy dark history and devastating satire by the celebrated and original author of the 1 New York Times bestseller Say You re One of Them From a suspiciously cheap Hell s Kitchen walk up Nigerian editor and winner of a Toni Morrison Publishing Fellowship Ekong Udousoro is about to begin the opportunity of a lifetime to learn the ins and outs of the publishing industry from its incandescent epicenter While his sophisticated colleagues meet him with kindness and hospitality he is soon exposed to a colder ruthlessly commercial underbelly callous agents greedy landlords boorish and hostile neighbors and beneath a superficial cosmopolitanism a bedrock of white cultural superiority and racist assumptions about Africa its peoples and worst of all its food Reckoning at the same time with the recent history of the devastating and brutal Biafran War in which Ekong s people were a minority of a minority caught up in the mutual slaughter of majority tribes Ekong s life in New York becomes a saga of unanticipated strife The great apartment deal wrangled by his editor turns out to be an illegal sublet crawling with bedbugs The lights of Times Square slide off the hardened veneer of New Yorkers plowing past the tourists A collective antagonism toward the other consumes Ekong s daily life Yet in overcoming misunderstandings with his neighbors Chinese and Latino and African American and in bonding with his true allies at work and advocating for

healing back home Ekong proves that there is still hope in sharing our stories Akpan s prose melds humor tenderness and pain to explore the myriad ways that tribalisms define life everywhere from the villages of Nigeria to the villages within New York City New York My Village is a triumph of storytelling and a testament to the life sustaining power of community across borders and across boroughs

Keithly, 2023-07-20 The World Today Series USA and The World describes not only what happened but puts events in the context of the past and criticizes policy actions as appropriate The result goes deeper than most of what appears in current publications Updated annually and part of the renowned World Today Series USA and the World presents an unusually penetrating look into America and its relationship to the rest of the world The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students Now in its 18th edition the content is thorough yet perfect for a one semester introductory course or general library reference *Catalogue of the Library of Troy Young Men's Assoc* Troy Public Library (N.Y.), 1859
