What Is a Dog? Chloe Shaw, 2021-07-13 On the heels of her family's beloved dog's death one woman returns to the canines of her past in order to imagine the human she hopes to become in the future in her memoir What Is a Dog Chloe Shaw is in a dog house of her own choosing A married mother with kids the death of Booker her children's eldest family pet has left her reeling and reckoning with her lifelong relationship with dogs Unable to shake the feeling a year later she asks her family for some time alone to be with nothing but her thoughts and

remaining canines Safari and Otter only to find the dogs of her past pawing at her every memory and running sticks in mouths back into her life What follows is a meditation on one woman s life through the dogs she s loved and lost Since she was a child Shaw had learned to escape the hardest parts of being human by immersing herself in the lives of her canine companions an adaptive attachment that carried her to adulthood Yet in marriage and motherhood Shaw finds herself facing her most human struggles yet Her old ways of being the dog in the face of hardship prove destructive and it s not until she s able to love herself and learn from the dogs of her past and present that can she truly thrive as a person and show up for the family who needs her to be their person With artful prose and a philosophical touch Shaw takes us on an emotional journey anyone who has ever loved and lost a dog will connect with and discovers dogs do more than just make our lives better they quietly and sometimes loudly pull us boldly toward the person we were always meant to be Light for early days (hymns and verses). Light,1861 **Notice to Quit** William Gorman Wills,1861 The Absolute End of Racism Lou York,2021-03-01 Racism is generally defined as a person of one race exhibiting superiority over a person of another race The fallout of such behavior can range from disrespect to intimidation to outright violence Why does this happen and what would it take to prevent and stop racial incidents In this observational analysis York explores the array of issues that contribute to the problem including failure to acknowledge the realities of racial employment and violence failures in individual responsibilities a lack of focus on our shared Americanism and direct pot stirring for the purpose of political gain The good news is that we can absolutely reverse elements of racism out of existence particularly in view that politicism breeds far more hatred in twenty first century America than racism So turn the book over start reading and take note of how you can individually make a difference The Society of Friends Mrs. J.
