**She, Myself & I** Whitney Gaskell, 2005-09-27. The Cassel sisters have little in common besides a pair of wacky parents and a maddening knack for eluding happily ever after endings. But when their lives require damage control, only a dose of sisterhood will do. Paige, the oldest, is a go-getter divorce attorney who's reeling from her own disastrously failed marriage and the fact that her ex has suddenly come roaring out of the closet with a cute boyfriend in tow. Middle sister Sophie is having trouble adjusting to life as a wife and expectant mom. With her doubts on the rise along with her weight, she's ogling every available baked good and every available man that crosses her path. And up-and-coming medical student Mickey has a racy new plan for her future that's sure to shock her entire family. It includes a dangerously handsome, decidedly married chef, private cooking lessons, and spicy lingerie. To top it all off, the parents who dragged them through the Divorce from Hell years ago are acting like teenagers in love with each other. One by one, Paige, Sophie, and Mickey are about to learn just how good it is to have a sisterly shoulder or two to lean on.

**Lost Daughter** Nola Wunderle, 2013-08-07. Lost Daughter: A daughter's suffering, a mother's unconditional love. An extraordinary story of hope and survival. We were all full of expectation as we waited patiently at Melbourne's international airport. I hadn't slept properly for weeks. All of us had been waiting for this moment for months. Our fourth child was soon to arrive. This is the story of 18-year-old Kartya Wunderle, one of 64 babies flown out of Taiwan in the early 80s. Babies stolen from their mothers or sold by their families and adopted out to unsuspecting overseas parents. At 15, Kartya began to use heroin in an attempt to take away the pain of not knowing who she was and where she came from. Her distraught parents watched their beautiful daughter slowly slip away from them, spiralling towards a tragic and almost inevitable conclusion. Out of desperation and fired by an unconditional love for her daughter, Nola Wunderle resolved to find Kartya's birth mother and change the ending to Kartya's story. An amazing search for one woman in a country of 22 million began. The result was nothing short of miraculous and made Kartya a national hero in her homeland. Lost Daughter is a moving testament to the power of love and the strength of the human spirit, one that will humble and inspire all who read it.
