A Long Road from China Z. Charlie Li, 2019-07-11 This autobiography is a recount of my personal experiences in life. The book starts with my farming and laborious works during my early childhood age in which I met extreme challenges. When I was a young man because the doors to colleges were shut, I became a young farmer working diligently, only failing to achieve my goal of becoming an imperial food eater. China's Open Door policy made my college dream and studying in the US come true. Achieving master's and PhD degrees and becoming a US citizen were smooth sailing, but becoming an entrepreneur was a challenge. My dream of becoming financially independent was finally realized after fifteen years of hard work. My success as a small business owner provides me with resources to help others through charity giving and donations. Along my life journey, I got tremendous support and help from my family.

Honoring Your Parents Gayle Jackson, 2008-09 Gayle Jackson in his remarkable book *Honoring Parents* has given us a biblically based book on why and how to honor our parents. Gayle has taken personal stories and imported them with scripture that gives us a book to be read and used. Topics such as aging, parents, forgiveness, relationship, commitment, and responsibility are invaluable. The nobility of honoring our parents is a reflection of our love of God. Karen Loritts: As you read this book, you will discover Gayle brings a biblical worldview to the subject. This comes from years of giving attention to the needs of the parents of Connie and him, possibly to a degree that most will never be called to replicate. If you want a biblical perspective on parenting coupled with years of personal experience, this is the book to read. Walt Henrichsen: The book's principles helped us think through so many personal decisions in a Biblical way. It was not the easiest way, but it was the best. Read this book carefully to gain strength and encouragement if you are now the care taker. No matter who you are or what stage of life you are in, Gayle's well-thought-out principles are important today. Patsy Harley: My friend Gayle Jackson has written a much-needed book that is borne out of his rich knowledge of Scripture and his diligent application of biblical principles in his relationship with his parents. *Honoring Your Parents* offers a wealth of perceptive lessons and principles that impart wisdom on this very practical but often neglected area. The metamorphosis of honor in this book offers an excellent and original model as well. Ken Boa: At once Biblically centered and engagingly personal, Gayle Jackson's book on honoring your parents is a must-read for anyone with aging parents. Janna Kay Henrichsen, PHD

Family Systems and Life-span Development Kurt Kreppner, Richard M. Lerner, 2013-05-13 This interdisciplinary volume presents international research and theories focusing on the development of the individual across the life span. Centering on family as the key context influencing and being influenced by the developing person, the contributors to this volume discuss an array of theoretical models, methodological strategies, and substantive foci linking the study of individual development, the family system, and the broader context of human development. The volume presents continuing empirical research and theories in the realm of individual and family development and features a developmental contextual view from a process-oriented vantage point.
