My Life and Times William B. Wray, 2022-12-12

My Life and Times is the narrative of a life both ordinary and extraordinary. The author grew up in the Midwest in a lower middle-class working household. His immediate forebears lost their jobs and occupations, homes, and money in the Great Depression. His more distant ancestors emigrated from many parts of northern Europe and settled in what would become or was Pennsylvania, New Jersey, and Maryland between the seventeenth and nineteenth centuries. Although the author's family had little money, as the first-born of four children, it was understood that he would go to college. In due course, he graduated magna cum laude from the University of Utah, obtained a PhD in economic geology from the University of California at Berkeley, and a Juris Doctor degree from Harvard Law School. His professional career included work in the natural resources industries and in the law profession. The author describes himself, his experiences, and observations about life over three quarters of a century in a candid, authentic, and accurate way. His life has been that of ethnic mainstream White Protestant America, a category and subject rarely written about. He has observed from the vantagepoint of an ordinary person the social and economic environment of the times. Supported by a personal diary, correspondence, and photographs, this account is both factually accurate and objective. The story is a record of how his life and the lives of those around him, including many relatives, friends, and associates, evolved over time as American and world societies developed and changed.

period God lifted him out of the evil that surrounded him the Lord delivered him at a time when he was unable to see the correct path in life Growing up poor in the mean streets of Los Angeles Simone s testimony is about achieving the impossible even when everything works against you He offers a set of tools and scriptural passages preparing you to face and defeat the schemes the wicked use to lure both unsaved and Christian people into a life of servitude to sin The New World Order of Spiritualism details how scripture protects you from the way of evil men and women **Spirit Vs. Flesh** Dr. Pamala Wilson,2019-07-09 Many of us can one day realize that we have been spending our lives walking in sin The realization can come suddenly or it can appear to us over some time but what we do next can mean the world even our eternity In Spirit vs Flesh author Dr Pam Wilson shares her personal testimony of immediate deliverance and her life of victory in the battle between spirit and flesh The burden God has put on her heart to help other Christians learn how to overcome the constant battle between our flesh and our spirit is the passion and motive behind her writing The message she confronts head on is the reason why we as Christians are living a life of hypocrisy and are both in and of the world We are not living differently than the world and making a difference for the kingdom of God because we are not revealing God in the way we live our lives Yet by accepting Christ and equipping ourselves for spiritual warfare we can be victorious in the battle between the spirit and the flesh *Old ego - Way to Health* Silvio Kospic,2023-10-05 At the beginning it is merely a trembling of the hands but then the situation worsens In the end Silvio Kospic is diagnosed with progressive multiple sclerosis Sport was his life but then he makes it his mission to try alternative healing methods because giving up is not an option for him On his path to healing he comes to spiritual insights that change his outlook on life One day he meets his future wife who also suffers from MS Together they get through the sometimes better sometimes worse phases of the disease He is sure that negative experiences at a young age led to stresses on the soul causing his body to take refuge in MS So the path leads to his childhood to Bosnia where there was war **The Wesleyan methodist association magazine** ,1852
