

# PRAYERS FOR TODAY

## Help Me To Rely On You

Father,  
I come before you today to seek guidance  
and protection.  
I do not know what the day has in store for  
me but you do. I do not know who I will  
encounter today.  
But you Lord, are aware of everything  
ahead of me today  
So I pray that you lead me in all I do today.  
Help me to rely on you no matter what.  
Remind me that you are my rock and my  
fortress. When circumstances cause me to  
worry, please remind me that you are ever-  
present in my life.  
In Jesus name I pray, *Amen*

**Improving Your Prayer Life through a Study of the Psalter** Randall C. Bailey, 2021-10-04 How should we pray Do we believe God answers our prayers Is it acceptable to complain to God Should we bargain with him to receive the response we desire Why do we praise God Does our praise make him any more God John Calvin argued basically that the purpose of prayer is to realign the petitioner's feelings and beliefs with God's Many today seem to have adopted this idea One says Why pray at all God knows

everything so my prayers cannot change his mind I must pray to discover God's will for my life I must realign my will with God's will for my life In contrast the psalmists assumed a reciprocal process They believed they could bring pressures on God to answer their requests They would bargain with God and promise him certain things if he would only grant their petitions Indeed this was part of the process They would obligate themselves to praise God if he would grant their desires Such bargaining was the foundation of their prayers Comparisons of Calvin's views with the psalmists allows the reader to investigate the nature of his or her prayer life and make improvements where necessary **Thin Places** Marshall E. Quilling, 2022-04-14 What Doing Where Going Why When we were young and recently married we purchased our first home in South St Paul Minnesota It was a very nice three bedroom rambler with a tuck under single car garage The basement was finished and the yard was beautifully landscaped with a terraced garden in the back yard complete with a statue of Jesus We paid 31 000 and had anxiety about how we were going to pay the mortgage payment of 160 per month Our side door was directly across from our neighbor's house 20 feet away Our neighbors had two little boys around the ages of three and five They did not let their boys play with any other children and kept them inside most of the time Their vocabulary was very limited and we only heard them say three things They were however very friendly and came running up to me every time I would see them The first thing they would say was What doing When you told them what you were doing they would ask Where going When they were satisfied with your answer the final question was Why As I have reflected about these questions over the years I have come to realize that these are very profound questions What am I doing where am I going and why Have you ever asked yourself these questions I have never sat down and charted my life but I have been lead and protected by a mysterious force As you read this book ask yourself these questions Is life more than eating drinking and being merry and then you die Is there someone or something out there in the universe who is watching me Is there someone wanting to interact with me This is the story of my life my search for truth and my journey I am not an extraordinary person Some of my adventures may seem a little strange They were strange for me too Sometimes I identify with Sergeant Joe Friday in Dragnet Just the facts ma'am Just the facts I hope that in sharing my life you too may find answers to these basic questions I hope that you will find peace and contentment as I have found in my life Blessings Marshall E Quilling To contact author E mail marshall.marshallequilling.com Website www.marshallequilling.com **Gangster Prayer** Autumn Miles, 2019-07-16 Change your life and become an inspiring passionate praying warrior who proclaims God's Word with this refreshingly honest guide to strengthening your faith If you want positive results from prayer you first need to pray But so many people who say they believe in the power of prayer actually pray very little or not at all It's time to get serious about prayer Autumn Miles says that we must stop being prayer wimps and instead be transformed into prayer gangsters people who are passionate about their faith and loyalty to God Autumn believes that God wants to give us so much more than what we've been settling for It's time our prayer life which has been mediocre at best becomes something that is Fervent intentional and highly expectant

Gangster Prayer won't teach you how to pray. Instead, it will help reveal the heart behind a believing prayer and put the focus back on who we are praying to instead of on what we are praying for. With a changed perspective and objective, we can finally see the results from prayer we've been longing for: not just answers but a changed life. *But We Pray* AiR - Atman in Ravi, 2020-06-27. Most of us have not realized the truth about God. God is not the statue that we pray to, nor is God a saint. God is a Power, a Universal Power. Moreover, we recite from scriptures, we chant mantras and sing devotional songs, but we still don't understand the meaning of our prayers. Should we not realize the truth about God and then pray? Should we not make our prayers effective so that our communication with God works? This book will unlock the door to true prayer as it will help us realize God not in some temple, mosque, or church but as we search for the truth, we will realize God in the temple of our heart.

**And God Answered....** Rod Guerrero, 2013-11. We often allow ourselves to get defeated in sadness, depression, despair, loneliness, and ultimately self-destruction. These are terrible places to be. But there is a way out of those places, and that is through God's love and trust along with belief in yourself. In *And God Answered*, author Rod Guerrero offers a discussion of how to turn negative thoughts into positive energy. Presented as a back-and-forth conversation between Guerrero and God, this study provides a serious and thoughtful discussion of topics relevant to the lives of all beings that inhabit and share our world. Guerrero maintains that to be mired in negativity is an exhausting waste of energy and that life is meant for joy, not struggle. We can fill our lives with love, peace, and prosperity by building on the inexhaustible supply of love that exists in all of us. You can unleash that authentic power within you and set yourself free. Including original poems, *And God Answered* communicates that any negativity can be

bridged over to the positive by stilling your thoughts and communing with God to redirect your thoughts and create as you desire
