My Promise My Love My Soul:

My Promise, My Love, My Soul Michael Eugene Rickett, 2005-06-01 Within this book are the messages I was fortunate enough to write This book is truly a treasure to behold Enjoy the same feelings my heart had felt share with me the emotions my hand was blessed to write Poem after poem came to me with its own unique message time after time and story after story for the whole world to share Although each is an individual story together they form a theme that is unmistakably about love hope and happiness Share with me a book that is much more than a one time read This is one you'll want to share with family and loved ones When you open this book open your heart as well Allow yourself to become a part of what you feel Experience wonders each time you turn the page Perhaps one of the poems was meant for you I believe there is a gift for everyone who reads this book and I pray that you receive yours

For You, My Love Kelvin Mbata, This book is a delight for the mind as its thoughts were creatively whipped out for delightful reads It focuses on strengthening existing relationships while helping to build new ones Hence couples can use it to express affection and solidify what they share Also anyone can gift it to that special person they hope will be a part of their life In all cases this book will do the talking for you So just gift it out The Poetry of My Soul karen Aulani Hoke, 2012-02-15 This book was written to help heal my heart from life It's about love courage family friendship and belonging It's about remembrance and dedication Love and it's declaration It's about never losing sight of your dreams It is about FAITH in myself and my Maker

Troll Poems From My Soul Daniel Clark, 2015-03-11 I love to do things with words and poetry is what comes from such playing with words Most of my poems are just my mind playing with my heart's thoughts Some of my poems come from life experience and others from nature or things that happen in life In putting this book together I found many of my poems are liked for they are written in words that everyone can read and understand I dream one day to hear someone say I read that poem and loved it Nothing would make me more proud than to know my poems touched someone's heart in a good way To write poems and not know if people will ever read them is a sad thought Love is the power that moves the world No matter if it is heartbreak or true passion love has the power to be the strongest influence in our lives Not all my poems are love poems There are also poems of remembrance for the men who have laid down their lives for freedom or in the line of duty So please read my words and enjoy them for what they mean and say to you I would love to be thought of as a man who had love in his soul and touched another's heart in some way

Legacy Robert Maxxim, 2014-06-24 A novel 30 years in the making Legacy is a story set in the future of mankind's previous sojourns through this and countless other worlds as experienced by the author It describes one man's incredible journey through several lifetimes as far back as a million years his blunders and triumphs and the many worlds and places where these experiences took place The book also highlights advanced scientific and spiritual concepts written in lyrical romantic prose But most of all it is a powerful love story deeply rooted in his unquenchable desperate search through the vastness of space and time for his one his soul mate In Episode I the main character a geologist on Mars stumbles upon

benign underground Martian civilizations and establishes a close relationship with a Martian woman who unbeknown to him is his long lost one Theirs is love at first sight yet kept secret from each other Martians and envoys from other worlds offer to teach Earth the true science of life but wicked parties hastily draw plans to deceive and exploit aliens He holds true to his alien friends and his one in spite of endless guile Lifestyles change weapons vanish and love fosters on Earth under alien guidance But his heart must also change by facing horrible deeds he committed in past lives he now ignores Of these none compare in iniquity to his role as The Destroyer a cosmic oppressor that terrorized the galaxy in the name of an evil space Alliance based in Orion
