**Ordinary Days** Leo Ou-fan Lee, Esther Yuk-ying Lee, 2021-01-15 The memoir Ordinary

Days by the scholar and critic Leo Ou fan Lee and his wife Esther Lee Yuk Ying brings to this Hong Kong series an intensely personal touch consciously echoing the great sentimental memoir of the eighteenth century Shen Fu's Six Chapters of a Floating Life. With disarming candour Leo and Esther lay bare their hearts to share with us their story of love and suffering charting in a series of memorable chapters their shared spiritual quest. Set partly against the recent backdrop of some of Hong Kong's most turbulent years partly in the far flung diaspora of the Chinese intelligentsia this is a revealing record of the inner life of a highly cultivated modern Chinese couple.

*A Village with My Name* Scott Tong, 2017-11-17 An immensely readable journey through modern Chinese history told through the experiences of the author's extended family. Christian Science Monitor. When journalist Scott Tong moved to Shanghai his assignment was to start the first full time China bureau for Marketplace the daily business and economics program on public radio stations across the US. But for Tong the move became much more an opportunity to reconnect with members of his extended family who'd remained there after his parents fled the communists six decades prior. Uncovering their stories gave him a new way to understand modern China's defining moments and its long interrupted quest to go global. *A Village with My Name* offers a unique perspective on China's transitions through the eyes of regular people who witnessed such epochal events as the toppling of the Qing monarchy, Japan's occupation during WWII, exile of political prisoners to forced labor camps, mass death and famine during the Great Leap Forward, market reforms under Deng Xiaoping and the dawn of the One Child Policy. Tong focuses on five members of his family who each offer a specific window on a changing country: a rare American educated girl born in the closing days of the Qing Dynasty, a pioneer exchange student, a toddler abandoned in wartime who later rides the wave of China's global export boom, a young professional climbing the ladder at a multinational company and an orphan, the author's daughter adopted in the middle of a baby selling scandal fueled by foreign money. Through their stories Tong shows us China anew: visiting former prison labor camps on the Tibetan plateau and rural outposts along the Yangtze, exploring the Shanghai of the 1930s and touring factories across the mainland, providing a compelling and deeply personal take on how China became what it is today. Vivid and readable. The book's focus on ordinary people makes it refreshingly accessible. Financial Times. Tong tells his story with humor, a little snark and lots of love. Highly recommended especially for those interested in Chinese history and family journeys. Library Journal starred review.

**My Dear Boy** Joanie Holzer Schirm, 2019-03-01 After the death of Joanie Holzer Schirm's parents in 2000 she found hundreds of letters held together by rusted paperclips and stamped with censor marks sent from Czechoslovakia, Great Britain, China and South and North America along with journals, vintage film, taped interviews and photographs. In working through these various materials documenting the life of her father, Oswald Valdik Holzer, she learned of her family history through his remarkable experiences of exile and loss, resilience and hope. In this posthumous memoir, Schirm elegantly re-creates her father's youthful voice as he comes of age as a Jew in interwar Prague, escapes from a Nazi-held army unit, practices medicine in China's war-ravaged interior and settles in the United States to start a family. Introducing us to a diverse cast of characters ranging from the humorous to the menacing, Holzer's life story is an inspirational account of survival during wartime, a cinematic epic spanning multiple continents and ultimately a tale with a twist, a book that will move readers for generations to come. Stranger In My Heart Mary Monro, 2018-06-09 *Stranger In My Heart* is about the search for understanding oneself, answering the question 'Who am I' by seeking to understand the currents that sweep down the generations' eddy through one's own persona and continue on palpable but often unrecognised. My father fought at the Battle of Hong Kong in December 1941, was taken prisoner by the Japanese and then escaped in February 1942, making his way across 1200 miles of inhospitable country to reach China's wartime capital at Chongqing. Seventy years later, I retraced his steps in an effort to understand a man who had died when I was 18, leaving a lot of unanswered questions behind. My book is the quest that I undertook to explore my father's life in the context of the Pacific War and our relationship with China. A picture of a man of the greatest generation slowly unfolds, a leader, a 20th Century Great, but a distant father. As I delve into his story and research the unfamiliar territory of China in the Second World War, the mission to get to know the stranger I called Dad resolves into a mission to understand how my own character was formed. As I travel across China, the traits I received from my father gradually emerge from their camouflage. The strands of the story are woven together in a flowing triple helix with biography, travelogue and memoir, punctuated with musings on context and meaning.

China on Film Paul G. Pickowicz, 2013-02-28 Leading scholar Paul G. Pickowicz traces the dynamic history of Chinese filmmaking and discusses its course of development from the early days to the present. Moving decade by decade, he explores such key themes as the ever-shifting definitions of modern marriage in the 1920s, silent features, East-West cultural conflict in the movies of the 1930s, the strong appeal of the powerful melodramatic mode of the 1930s and 1940s, the polarizing political controversies surrounding Chinese filmmaking under the Japanese occupation of Shanghai in the 1940s and the critical role of cinema during the bloody civil war of the late 1940s. Pickowicz

then considers the challenging Mao years including chapters on legendary screen personalities who tried but failed to adjust to the new socialist order in the 1950s celebrities who made the sort of artistic and political accommodations that would keep them in the spotlight in the post revolutionary era and insider film professionals of the early 1960s who actively resisted the most extreme forms of Maoist cultural production The book concludes with explorations of the highly cathartic films of the early post Mao era edgy postsocialist movies that appeared on the eve of the Tiananmen demonstrations of 1989 the relevance of the Eastern European velvet prison cultural production model and the rise of underground and independent filmmaking beginning in the 1990s Throughout its long history of film production China has been embroiled in a seemingly unending series of wars revolutions and jarring social transformations Despite daunting censorship obstacles Chinese filmmakers have found ingenious ways of taking political stands and weighing in for better or worse on the most explosive social cultural and economic issues of the day Exploring the often gut wrenching controversies generated by their work Pickowicz offers a unique and perceptive window on Chinese culture and society
