My Side Of The Story The Brothers War:

Another Side of That War Don Dunaway, 2012 A firsthand look at the way Combat Search and Rescue was conducted when it really came into its own during the Vietnam War as seen through the eyes of a fixed wing pilot who volunteered for the job of employing and supporting the Jolly Green Rescue helicopters in their efforts And since not every day resulted in a shoot down of friendly aircrews a look at how the rest of the one year tour of duty was occupied when rescues were not imminent plus some of the more entertaining diversions fighter pilots can conjure up when allowed to exercise their innate talents for such

Blood Is Thicker than War Martin King, 2022-09-06 From the author of *Triage* and *Searching for Augusta* comes a history of love hate jealousy and revenge between brothers and sisters during times of war through the ages Journey back through time to discover remarkable accounts of parents who waved off their sons and daughters never knowing if they would ever see them again One mother saw no less than ten of her sons between the ages of eighteen and thirty seven dispatched to the frontline in the First World War The biggest real band of brothers that ever served their country but to discover how many made it back and who this dear lady was you will have to read the rest War is completely indiscriminate when it comes to inflicting suffering and heartbreak on families particularly when one s own blood takes up arms to fight with and in some cases against their own kin These stories recount some of the prime examples of families divided and united in some of the direst conflict When British police discovered the body of a dead woman who locals knew as the Crazy Cat Lady they found a small bundle of possessions that revealed a truly incredible story of two amazing sisters who served behind enemy lines as elite Special Operations Agents SOE during World War II

Brothers Gone Before Kent Gramm, 2025-04-15 The values of two young brothers raised in a religious household are affirmed and destroyed by combat in the Civil War s most famous unit the Iron Brigade Describing the battles of Bull Run Antietam Gettysburg and the Wilderness in letters and frank journal entries each of the boys become men for better and for worse At the fiftieth reunion of the Battle of Gettysburg the surviving brother bitterly sums up the meaning of the war and bequeaths its mixed results to our generation
