## **My Soul Has Spoken:**

The King Has Spoken Through the Power of Poetry Linda Hughes, 2019-10-02 My name is Linda Hughes and I am a blessed author who resides in Lorain Ohio I have been writing for many years I truly believe that it is my purpose and a passion that was gifted by God to go forth and spread the good news of our Heavenly Father's love My goal is to inspire all I assure you this powerful book of God's beauty will keep you in awe For a Second Chance Romance With the Lord Second Chance Romance When God gives you another chance to be in his loving arms like a baby wrapped in a blanket Do everything you can do to let go and let God enter into your life heart Sometimes we don't realize what a privilege it is to have a second chance romance with our Savior Jesus Christ How awesome it is to tell you personally some of the experiences I have had to see feel and breathe the beauty of our almighty King's love which has and still is leaving me yearning to want more of His agape love     *The Original Aramaic New Testament in Plain English with Psalms & Proverbs (8th edition with notes)* Rev. David Bauscher, 2014-07-13 This is a translation 8th edition 2013 of The Aramaic New Testament Aramaic was the language of Jesus and his countrymen of 1st century Israel in a literal English prose translation of The Peshitta New Testament the Peshitta Psalms Proverbs Aramaic was the language of Israel the Middle East and of the Jews in Europe from the 6th century BC and afterward until the Muslim conquests of the 7th century AD Aramaic was used in Mel Gibson's film The Passion of the Christ to make the film as realistic and accurate as possible This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of Yeshua Jesus in ancient Aramaic as He originally spoke them in a literal and readable English rendering This edition contains 209 pages of notes demonstrating graphically in hundreds of verse examples that the Aramaic NT is the original text and the Greek NT is a translation of the Aramaic Peshitta text 8x11 609 pages paperback in Large Print     The African Bible Embaye Melekin, 2011-03 The African Bible is the record of the Abyssinian prophets who came to Africa from Jerusalem in around 600 BC The Sabeans Nephites and the Agazians Lamanites will become the ancestors of the African people The prophecies of the African Bible have been entirely fulfilled upon Africans Jews and Gentiles The Agazians or black Africans were prophesied to dwindle in unbelief as was apparent in the history of the continent Also black Africans were prophesied to be scourged slaved and scattered by the Gentiles and that was the experience of Africans The African Bible the Book of Mormon was prophesied to be hidden from the African people until God's own time and will first be discovered by the Gentiles Hence the prophet Joseph Smith translated them into English from the Sabeian script and the Mormon Church had them for almost two centuries without knowing the authentic owners of the records The records were then to be revealed to the African people by one of their descendants and that is what I am doing now I have convincingly proven the Book of Mormon to be the record of the African ancestors and is therefore an African Bible Hence Africans are the remnants of the house of Israel and descendants of Manasseh     **The Religious Experience and Prophecies of H.
