

*Loving memories of my very
Special Dad*

On Fathers Day

I often lie awake at night

While others are asleep

I take a walk down memory lane

With tears upon my cheek

No one knows the heartache

I try so hard to hide

No one knows the many times

I've broken down and cried

We shared so many happy times

We shared some sad times too

But the saddest day in my life

Was the day I lost you.

God bless and keep you

DAD

Thinking of you today and always

My Special Father And Me

**William Shakespeare, Charles
Symmons**

My Special Father And Me:

My Special Place Deanne Winter, 2008-01-14 *My Special Place* is a story of a young girl living in a world of naivety in a deeply dysfunctional family from Massachusetts. As she grows she does not understand the realities of life and soon she finds these realities shattering her unawareness of what life has to offer. The story takes you through her younger years to her developmental years as a teenager and into adulthood searching her life for the meaning of family love. This young girl is a story told about my life as I remember it to be. I share myself with the reader in hopes that they may see a piece of themselves at a time in their own life when these unseen factors made them the person they are today. At 25 years old trying to realize her dream as the CEO and Founder of the National Paralegal Foundation is a daunting task for Simone Devereaux. Her days are spent caring for her mother who suffers from a hereditary mental disorder. Her nights are spent in the arms of her fianc District Attorney Jacques Parker and her lover trust attorney Wolf Carlyle. On the death of her grandfather Simone inherits his private library which contains an extensive collection of books known as the *Diary of the Beloved* written by Catherine Hepburn her mother's college roommate. As she reads the diaries to her mother soon it becomes clear to Simone that Catherine's diaries hold the secrets of the Hidden children of noble birth who are hidden amongst commoners until they are of an age to inherit their nobility.
