My Staggerford Journal:

My Staggerford Journal Jon Hassler, *The Staggerford Flood* Jon Hassler, 2003-10-28 In *The Staggerford Flood* Jon Hassler brings back Agatha McGee and reunites other favorite characters from his award winning Staggerford novels When a flood hits Staggerford and neighboring towns Agatha McGee's house on the highest hill in town becomes a refuge for seven female neighbors friends and former students for three days and three nights This deluge of old and new friends as well as a new young priest who thinks Agatha has become a bit too zealous about morality helps to restore Agatha's own very distinctive spark *The Staggerford Murders and Nancy Clancy's Nephew* Jon Hassler, 2004-11-30 Filled with his trademark humor and warmth Jon Hassler's *The Staggerford Murders* and *The Life and Death of Nancy Clancy's Nephew* offer a welcome return to the town that has captivated readers for years In *The Staggerford Murders* residents of the Ransford Hotel solve the nine year old murder of esteemed Staggerford citizen Neddy Nichols and the disappearance of his widow Blanche Hassler's wry humor is in full force as this wonderful tale unfolds In the more poignant and bittersweet *The Life and Death of Nancy Clancy's Nephew* elderly W D Nestor finds his loneliness dispelled by his friendship with a young Staggerford boy but it is a sudden visit to his one hundred year old Aunt Nancy that provides the peace he has always been looking for

The New Woman Jon Hassler, 2006-09-26 Since 1977 Jon Hassler's Staggerford series has entranced readers with its funny and charming depiction of life in small town America *The New Woman* is his latest visit to this Minnesota hamlet At the age of eighty eight Agatha McGee has grudgingly moved out of her house on River Street and into the Sunset Senior Apartments She's not happy about giving up her independence and Sunset Senior's arts and crafts activities and weekly excursions to the Blue Sky Casino are hardly a consolation Meanwhile two of her close friends pass away her nephew Frederick is drifting into depression and a kidnapped little girl has suddenly appeared on her doorstep With characteristic poise and dignity Agatha takes on her problems and finds that the bonds of friendship and family are still the key to happiness at any age Affectionate and life affirming *The New Woman* is another delightful trip to a town with a soul as real as rural America itself

Encyclopedia of the American Novel Abby H. P. Werlock, 2015-04-22 Praise for the print edition no other reference work on American fiction brings together such an array of authors and texts as this **The Promise of Failure** John McNally, 2018-06-15 *The Promise of Failure* is part memoir of the writing life part advice book and part craft book sometimes funny sometimes wrenching but always honest McNally uses his own life as a blueprint for the writer's daily struggles as well as the existential ones tackling subjects such as when to quit and when to keep going how to deal with depression what risking something of yourself means and ways to reenergize your writing through reinvention What McNally illuminates is how rejection in its best light is another element of craft a necessary stage to move the writer from one project to the next and that it's best to see rejection and failure on a life long continuum so that you can see the interconnectedness between failure and success rather than focusing on failure as a measure of self worth As brutally candid as McNally can

sometimes be *The Promise of Failure* is ultimately an inspiring book never in a Pollyannaish self help way McNally approaches the reader as a sympathetic companion with cautionary tales to tell Written by an author who has as many unpublished books under his belt as published ones *The Promise of Failure* is as much for the newcomer as it is for the established writer *Staggerford* Jon Hassler,2011-01-12 The classic novel of a small Minnesota town and of one school teacher who calls it home This utterly charming deeply poignant debut remains perhaps the signature achievement of beloved novelist Jon Hassler once hailed by *The New York Times* as a writer good enough to restore your faith in fiction It s the story of a week in the life of Miles Pruitt a thirty five year old bachelor who teaches high school English in Staggerford Minnesota And though it is only a week it s an extraordinary week filled with the poetry of living the sweetness of expectation and the glory of surprise that can change a life forever Praise for *Staggerford* Witty intelligent compassionate an absolutely smashing first novel *The Plain Dealer* You ll remember it for a long time *The Minneapolis Tribune* One of the year s truly freshly conceived and carried out novels one whose not always so gentle ironies address themselves to a broader range of life than is to be found in *Staggerford* Minnesota *The Kansas City Star* A thoroughly convincing X ray vision of small town life so sincere so true so honest with itself and so very very funny that a reader often has to wipe the tears out of the corners of his eyes before he can as he must read on *The Houston Post* Very entertaining Miles is one of the most likable protagonists of modern fiction *The Pittsburgh Press* *Staggerford* Minnesota is a town out of control It is as weird and convoluted as any lover of comic fiction could wish *Boston Herald American* **Keepsakes & Other Stories** Jon Hassler,2009-10-15 From *Publishers Weekly* These seven gentle tales set in Minnesota and North Dakota and all written during the 1970s treat fans of novelist Hassler A Green Journey Jemmy to the earliest fruits of his talent Some are folksy portraits of small town characters while others are drier and more plot driven Both the title story and *Resident Priest* feature crusty 74 year old Father Fogarty a pastor who s leaving his parish after 23 years In *Chief Larson* a seven year old Indian boy known rather improbably only as chief on the reservation rebels in a small but telling way against his white adoptive family *Good News in Culver Bend* tracks two city reporters who travel to a small town and discover the heart of Christmas Chase and Christopher Moony and the *Birds* show how frustrated residents of small towns seek solace The former so brief it s nearly a prose poem hints at Hassler s own adolescent discovery of his talent for fiction the latter follows a lonely 50 year old college professor as he goes on a consolatory walk with a student s awkward wife and child watching birds on family outings hopping and halting on the grass The cleverest story *Yesterday s Garbage* follows a garbologist who finds the truth about a murder in a trash bin and is then led to commit one himself The publisher plans to issue Hassler s later short fiction in three more volumes starting in the year 2000 Sept Copyright 1999 Cahners Business Information Inc This text refers to the Hardcover edition **Good People--from an Author's Life** Jon Hassler,2001 In *Good People* celebrated novelist Jon Hassler examines goodness with warmth humor and poignancy by exploring the many meaningful relationships that have enriched his life He describes his parents

and grandparents childhood playmates fellow teachers and writers including the renowned fiction writer J F Powers and shows how the goodness in these people has inspired the good people in his fiction Written in the same engaging style as his novels Hassler s stories reveal much of his own background including his strong Catholic faith and the places that have shaped his writing BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

South Dakota Review ,2001 **Sequels** Janet G. Husband,Jonathan F. Husband,2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series
