## Stompin' Tom Connors

**HI! EVERYBODY!** This is Stompin' Tom Connors. And here's Another Roundup of Canadian songs I hope you'll find both informative and enjoyable. From the time I was a young lad on the farm in Skanesville, Prince Edward Island (and now, I have always been interested in the folk lore and the legends of our land and in the people who share in our great heritage.

It has often bothered me though, why so very little is ever said about the men and women of our country, who have often stood alone in courage and determination, in trying to contribute in their own way towards making this nation what it's come to be today.

Now there is only one small voice, but I'll be using it as often as I can in the only way I know how to bring the deeds of these Canadians and the happenings of this land to the attention of all.

On this Album as on previous Albums, you will find songs that make my point clear. And I find great pleasure in sitting down and writing this type of material and presenting it to you for your sign of approval.

Some songs you'll find very straight-forward and serious, while others will be light-hearted and may even bring the old chuckle. But the main objective will be to inform the public of any one area about what is happening to other people in other areas.

Men like Wilf Carter who has thousands of loyal fans who buy his phonograph records every year needs very little introduction, while it seems a bit of a shame who the great airplane pilot, Wop May, who won so many medals and decorations during the First and Second World Wars, must remain in obscurity.

But there again this might not seem so strange, when an occasion arises with somebody who seems very knowledgeable about Foreign Affairs and World Events, to name the Provincial Capitals, and he's stumped for an answer.

In writing up this letter, I would like to dedicate this album to the Steel Men who lost their lives in Vancouver in June 1958, when the "Bridge" they were building "Came Tumbling Down". Also to the Tobacco Farmers and Processors I worked with in South-western Ontario, and to the people who are lucky enough to witness the phenomenal return of the Sockeye and Coho Salmon up the beautiful rivers of British Columbia.

Last but not least, I would dedicate "The Song of The Irish Moss" to my fellow Prince Edward Islanders and to my step-father, Russell Hayward, of Skanesville Point.

Sincerely,

Garth N Chalez wants is to see the creation of reality 2.0 happen. He already knows it's going to be bloody rough and extremely trying, but when you sign up to be the Engineer of that new birth, you have very few choices regarding how it goes down. And when you've got the ancient, venerable, and godlike Kith Antal leading an army of unstoppable Harmony soldiers coming at you with the express purposes of being the Victor, you just can't help but feel it's gonna be even worse. But before Garth can even think about dealing with dear old dad, he's got to get inside Arcade City and deal with the so-called mad Goth king, Blake. No one really knows what's under the gigantic clockwork dome that's lasted for thirty thousand years, and Garth, not for a lack of trying to get proper intel, finds himself doing what he does best: which is basically charging in without thinking to see what happens next, forced to kill an innocent man in order to be sentenced to Arcade City for crimes against a King's Son. Garth's only information concerning the domed ancient city is that it is thirty thousand years old and filled to the brim with madness and chaos. The moment our hero steps through the Geared Doors leading into the fabled and storied Arcade City, Garth finds himself in, as usual, so far in over his head that his only choice is to push forward, ever forward. Inflicted with a terrible case of nanotech-derived Kingsblood poisoning, assaulted by fear, hunted by Gearmen, surrounded by hideously mutated gearheads and wardogs saddled with an itinerant and crankier than thou blacksmith named Barnabas, and balked at every turn, Garth begins the trek to Arcadia, wherein the Dark Iron King waits. Along the way, he and his reluctant companion seek to find a cure for Garth's maladies, all while skirting dark resurgences of that thing the Engineer fears more than anything: Specter. Outside the Dome, the war for Trinity and It's Armies does not go well, led by SpecSer Commander Aleksander Politoyov; his forces cannot get through the systemic shield created by Huey, and so he turns his attentions outwards. Employing the resourceful and uncannily insightful Tendreel Salingh to discover Garth N Chalez's true plans, Aleksander unwittingly sets into motion a series of events that will spiral wildly out of control. Herrig, now Chairman of the renamed Latelspace Commonwealth, is assaulted on all sides. When Garth escaped the confines of Hospitalis aboard Bravo, the shield protecting Latelspace from invasion dropped just long enough for him to escape, but also for a handful of Trinity's forces to sneak in. His system is plagued by Heavy Elites, Specter Techs, and regular Army, and the original Horsemen are chomping at the bit to rain wrack and ruin upon everyone and everything that stands in their way. All this and more awaits. The Unreal Universe gears up for the end, and everything is quite literally going to Hell in a hand basket. Will Garth survive Arcade City against the mighty Dark Iron King and his even mightier King's Will? Well, Garth will need to bring his A Game. Won't he just?

*Mello Yello* Walker Smith, 2015-05-05 Mello Yello is the intimate life story of music industry legend Jack Gibson, aka Jack the Rapper. Launching the careers of countless superstars, Gibson forged enduring friendships with some of the most illustrious African American personalities of the twentieth century. His long-reaching influence began in 1949 when he and J. B. Blayton established the first black-owned radio station in the United States. As an emcee and promoter, he built enduring friendships with the early black royalty of the entertainment world among them Sammy Davis Jr., Billie Holiday, Erroll Garner, Sarah Vaughan, Nat King Cole, Pearl Bailey, Dinah Washington, Nancy Wilson, and Ray Charles. When he was hired by Berry Gordy to head up promotion at a fledgling record company called Motown, Gibson befriended a new crop of stars including Stevie Wonder, The Supremes, and Smokey Robinson. Moving on to the Revelot label and then to Stax, Gibson's uncanny timing once again positioned him to further the careers of Otis Redding, Jackie Wilson, Isaac Hayes, The Staple Singers, Rufus Thomas, Carla Thomas, and many others. In addition to his involvement in the music scene, Gibson gave voice to the history as he lived it, covering the Civil Rights Movement, interviewing Malcolm X, and conducting a man on the street report from Detroit as it burned following Dr. King's assassination. With the publication of his influential Black trade magazine called *The Mello Yello*, The Rapper established a forum for discussions and contributed to sweeping changes for African Americans in radio and the recording industry. But his most long-reaching achievement was his glittering Family Affair, an annual black music convention that provided a springboard for new talent. Each year, without fail, the heavy hitters of the music industry cleared their schedules to lend their talents to the Family Affair. Prince, Tina Turner, Nancy Wilson, Janet Jackson, James Brown, Whitney Houston, Eddie Murphy, Hammer, Toni Braxton, Sinbad, L.L. Cool J, and the list goes on like a Who's Who of entertainment superstars. After being honored by the Rock and Roll Hall of Fame, other accolades began to roll in from the United States Congress, the Smithsonian Institution, and countless other organizations. But The Rapper wasn't finished yet. With decades of stories and music still alive in his soul, he returned to his roots, radio. Nearly fifty years after his beginnings at WERD, Jack the Rapper's voice once again crackled across the airwaves in Las Vegas, Nevada, proclaiming three simple words: I'm still here.

*We Became Mexican American* Carlos B. Gil, 2012-08-17 This is a story of Mexican family that arrived in America in the 1920s for the first time, and so it is a tale of immigration, settlement, and cultural adjustment, as well as generational progress. Carlos B. Gil, one of the American sons born to this family, places a magnifying glass on his ancestors who abandoned Mexico to arrive on the northern edge of Los Angeles, California. He narrates how his unprivileged relatives walked away from their homes in western Jalisco and northern Michoacán and traveled over several years to the U.S. border, crossing it at Nogales, Arizona, and then finally settling into the barrio of the city of San Fernando. Based on actual interviews, the author recounts how his parents met, married, and started a family on the eve of the Great

Depression With the aid of their testimonials the author's brothers and sisters help him tell of their growing up They call to memory their father's trials and tribulations as he tried to succeed in a new land laboring as a common citrus worker and how their mother helped shore him up as thousands of workers lost their jobs on account of the economic crash of 1929 Their story takes a look at how the family survived the Depression and a tragic accident how they engaged in micro businesses as a survival tactic and how the Gil children gradually became American or Mexican American as they entered young adulthood beginning in the 1940s It also describes what life was like in their barrio the author also comments briefly on the advancement of the second and third Gil generations and in the Afterword likewise offers a wide ranging assessment of his family's experience including observations about the challenges facing other Latinos today [Agenda](#) Faith Wood ,2021-01-28
