Randy Poe, 2016-01-01 Buck Em The Autobiography of Buck Owens is the life story of a country music legend Born in Texas and raised in Arizona Buck eventually found his way to Bakersfield California Unlike the vast majority of country singers songwriters and musicians who made their fortunes working and living in Nashville the often rebellious and always independent Owens chose to create his own brand of country music some 2 000 miles away from Music City racking up a remarkable twenty one number one hits along the way In the process he helped give birth to a new country sound and did more than any other individual to establish Bakersfield as a country music center In the latter half of the 1990s Buck began working on his autobiography Over the next few years he talked into the microphone of a cassette tape machine for nearly one hundred hours recording the story of his life With his near photographic memory Buck recalled everything from his early days wearing hand me down clothes in Texas to his glory years as the biggest country star of the 1960s from his legendary Carnegie Hall concert to his multiple failed marriages from his hilarious exploits on the road to the tragic loss of his musical partner and best friend Don Rich from his days as the host of a local TV show in Tacoma Washington to his co hosting the network television show Hee Haw and from his comeback hit Streets of Bakersfield to his induction into the Country Music Hall of Fame In these pages Buck also shows his astute business acumen having been among the first country artists to create his own music publishing company He also tells of negotiating the return of all of his Capitol master

recordings his acquisition of numerous radio stations and of his conceiving and building the Crystal Palace one of the most venerated musical venues in the country Buck Em is the fascinating story of the life of country superstar Buck Owens from the back roads of Texas to the streets of Bakersfield Click here to watch a video extra on YouTube for Buck Em

Vaudo,2023-07-26 This is the untold story of a proud Italian named Pietro Paolo Vaudo who was born in Gaeta Italy in 1915 Through his memoirs he recalls his early years of schooling and some memorable misadventures that lured him into the workforce at an early age He recounts his family s fishing business and his contentious relationship with his oldest brother Although he learned to fish as a young child he grew increasingly dissatisfied with the prospects of living his whole life as a fisherman in the small town of Gaeta He joined the Italian Navy shortly before his twentieth birthday for a tour of 28 months At that time he had no idea of the true duration of his military service and of the harsh and perilous events that were to come As World War II raged on Italy extended his naval service and he was subsequently captured by the Germans as a prisoner of war He shares with us his unexpected travels and remarkable events as a prisoner of war with incredible detail As his captors moved him from place to place he shares with us his thoughts of survival as he holds out hope of returning home to his birthplace Gaeta Italy Not long after his return to Gaeta he told his mother and family that he was going to America He details his travels to America and his unusual Italian style courtship with his wife to be The journey to America and his courtship were also not flawless undertakings He persevered and made it to America married and had a son to carry forward the Vaudo surname and family lineage He stayed in America the rest of his life but chose to remain an Italian citizen residing in the United States *Copyright Law Revision* United States.
