Our Jackie Karen M. Dunak, 2024-11-12 *Our Jackie* Public Claims on a Private Life chronicles the evolving media coverage of Jacqueline Kennedy Onassis tracing interpretations of her public persona from campaign wife first lady and revered widow to a jet setter career woman and ultimately treasured national icon 1960: LBJ vs. JFK vs. Nixon David Pietrusza, 2018-09-04 *1960* aims to take us deeper into the campaign than Theodore White's famous *The Making of the President 1960* And it does Chicago Sun Times This is award winning historian David Pietrusza's hard edged account of the 1960 presidential campaign the election that ultimately gave America Camelot and its tragic aftermath It is the story of the bare knuckle politics of the primaries the party conventions backroom dealings the unprecedented television debates the hot button issues of race religion and foreign policy and at the center of it all three future presidents Lyndon Johnson John F

Kennedy and Richard Nixon Terrific Robert A Caro winner of two Pulitzer Prizes and the National Book Award A stirring hard edged political saga An outstanding reexamination Booklist 1960 provides new insights into that year s hard fought pivotal election but more than that 1960 is great storytelling a fascinating can t put it down account of how American politics really works former United States Attorney General Richard Thornburgh Essential for understanding the political forces that in many ways shaped the world we live in today David Mark author of Going Dirty The Art of Negative Campaigning *The Assassinations* James DiEugenio, Lisa Pease, 2003-02-01 Probing deep into four hidden histories the material released should dispel any notions of lone nuts or coincidence These articles cut a clear path through the thick jungle of disinformation that has grown around these events and expose the truly hideous teratomas that thrive and bloom under the canopy of national security New York Press Landon Carter's Uneasy Kingdom Rhys Isaac, 2005-09-29 In this long awaited work Isaac mines the diary of a Revolutionary War era Virginia planter and many other sources to reconstruct his interior world as it plunged into turmoil Becoming America's Playground Larry D. Gragg, 2019-08-29 In 1950 Las Vegas saw a million tourists In 1960 it attracted ten million The city entered the fifties as a regional destination where prosperous postwar Americans could enjoy vices largely forbidden elsewhere and it emerged in the sixties as a national hotspot the glitzy resort city that lights up the American West today Becoming America s Playground chronicles the vice and the toil that gave Las Vegas its worldwide reputation in those transformative years Las Vegas s rise was no happy accident After World War II vacationing Americans traveled the country in record numbers making tourism a top industry in such states as California and Florida The Las Vegas Chamber of Commerce saw its chance and developed a plan to capitalize on the town s burgeoning reputation for leisure Las Vegas pinned its hopes for the future on Americans need for escape Transforming a vice city financed largely by the mob into a family vacation spot was not easy Hotel and casino publicists closely monitored media representations of the city and took every opportunity to stage images of good clean fun for the public posing even the atomic bomb tests conducted just miles away as an attraction The racism and sexism common in the rest of the nation in the era prevailed in Las Vegas too The wild success of Frank Sinatra s Rat Pack performances at the Sands Hotel in 1960 demonstrated the city s slow progress toward equality Women couldn t work as dealers in Las Vegas until the 1970s yet they found more opportunities for well paying jobs there than many American women could find elsewhere Gragg shows how a place like the Las Vegas Strip with its glitz and vast wealth and its wildly public consumption of vice rose to prominence in the 1950s a decade of Cold War anxiety and civil rights conflict Becoming America s Playground brings this pivotal decade in Las Vegas into sharp focus for the first time

Kennedy: The New Frontier Revisited Mark J. White, 1998-08-10 Leading Kennedy scholars along with a group of younger historians have mined recently declassified documentation in order to re examine many of the key issues surrounding JFK s time in the White House Vietnam Cuban missile crisis Berlin crisis space race and others Rejecting the idolatry and bitterness evident in so many previous works on JFK this study adopts an evenhanded eclectic approach The result is a less

caricatured more compelling view of the Kennedy presidency First Ladies Betty Boyd Caroli, 2003 Examines United States Presidential First Ladies through 2003 **All Too Human** Edward Klein, 1997 An examination of the lives of President John F Kennedy and his wife Jacqueline *Perfect Villains, Imperfect Heroes* Ronald L. Goldfarb, 2002 a compelling piece of work strongly evocative of an era that seems more and more to have been one of the most extraordinary periods in our history The unions the mobs the plots the characters Don DeLillo John F. Kennedy's Women: The Story of a Sexual Obsession Michael O'Brien, 2011-12-16 After an initial honeymoon with historians in recent years John F Kennedy has been more carefully scrutinized Michael O'Brien who knows as much about Kennedy as any historian now writing here takes a comprehensive look at the feature of Camelot that remained largely under the radar during the White House years Kennedy's womanizing Indeed O'Brien writes Kennedy's approach to women and sex was near pathological beyond the farthest reaches of the media's imagination at the time The record makes for an astonishing piece of presidential history *Dallas 50 Years On: The Murder of John F. Kennedy* Blaine Taylor, 2014-03-27 JFK had won the Presidency in 1960 by a razor thin majority and his re-election campaign for 1964 was expected to be as close He began it in November 1963 with a kick off multi city four day swing across the important state of Texas It was going unexpectedly well when shots were fired into his triumphant motorcade in downtown Dallas that ripped history apart changing it forever The assassination of American President John F Kennedy in 1963 came at the very height of both the Cold War following the Second World War and the Pax Americana that was thought to exist at the war's conclusion in 1945 The United States and its allies possessed a far greater number of nuclear weapons than their Soviet adversaries but the latter could unleash World War 3 and a nuclear Armageddon that would destroy them all The sudden and totally unexpected murder in broad daylight in an American city of one of the most popular presidents in history was the murder mystery of the 20th century The Cold War could have become hot and nuclear within minutes The murderer had to be found and vital questions had to be answered quickly Who did it why and who ordered Kennedy's assassination Was the deed part of a conspiracy foreign domestic or both Were none of these questions part of the bloody puzzle and was it entirely possible that only one man was responsible The questions remain to this very day and *Dallas Fifty Years On: The Murder of John F Kennedy* reveals sensational new evidence eyewitness accounts and top secret documentation **Sons & Brothers** Richard D. Mahoney, 1999 This intriguing book brings a fresh perspective to bear on the intimate charged partnership of John and Robert Kennedy The author Richard D Mahoney whose father was a friend of Bobby's and an appointee of Jack's has both the academic and political experience necessary to evaluate evidence of the Kennedys' relations with the Mafia anti Castro rebels and other groups lurking in the shadows of American life He also has a sharp eye for the brothers' differing yet complementary personalities Jack was intellectual and cheerfully cynical with a zest for pleasure increased by a life threatening illness concealed from the public He looked to passionate partisan Bobby for bulldog like political support and used his brother as a moral compass when planning his

administration's actions on civil rights the corruption of organized labor and the containment of Communism Their powerful father Joseph whose deep pockets basically bought Jack the presidency and at the same time compromised it because of Joseph's links to organized crime looms over the brothers as the author of a Faustian bargain that may well have played a role in JFK's assassination Mahoney's vivid compulsively readable text offers suggestive questions rather than definitive answers but it certainly succeeds as a bracing corrective to America's inability to see its history as tragedy a failure Jack and Bobby emphatically did not share Wendy Smith *Presidents and Civil Liberties from Wilson to Obama* Samuel Walker, 2012-04-16 This book is a history of the civil liberties records of American presidents from Woodrow Wilson to Barack Obama It examines the full range of civil liberties issues First Amendment rights of freedom of speech press and assembly due process equal protection including racial justice women's rights and lesbian and gay rights privacy rights including reproductive freedom and national security issues The book argues that presidents have not protected or advanced civil liberties and that several have perpetrated some of the worst violations Some Democratic presidents Wilson and Roosevelt moreover have violated civil liberties as badly as some Republican presidents Nixon and Bush This is the first book to examine the full civil liberties records of each president thus placing a president's record on civil rights with his record on national security issues and also to compare the performance on particular issues of all the presidents covered

Conspiracy in Camelot Jerry Kroth, Jerome A. Kroth, 2003 This complete and up to date synopsis of the assassination of JFK the actors witnesses and investigators weighs the different theories and looks at the drama as both a detective story and a defining moment in American mass psychology **The Kennedys** Peter Collier, 2010-09 The Kennedys may well be the most photographed written about talked about admired hated and controversial family in American history But for all the words and pictures the real story was not told until Peter Collier and David Horowitz spent years researching archives and interviewing both family members and hundreds of people close to the Kennedys An immediate classic The Kennedys combines intimate knowledge with a perspective free of obligations to family loyalties and myths bringing the story of four generations of America's family fully into view Collier and Horowitz capture the strain of ambition the dynastic ebb and flow the invention of a mythic identity the corrosive underside of the dream of Camelot developed over four generations that led one young Kennedy to say We broke the rules and in turn we were broken by them The Kennedys An American Drama is a fascinating and brilliantly comprehensive history that brings together for the first time all the complex strains of the story of the Kennedys rise and fall The authors have added new material showing the effect of the death of John F Kennedy Jr and the other family tragedies of the last few years on the Kennedys and their mythic role in American life **The Kennedy Family** S. J. Fuller, 2007 America has no official royalty by design Yet there have been the Roosevelts the Adams the Bushes the wanabee Clintons and most intriguing of all the Kennedys The Kennedys have so far only reached the presidency once but the assassination of JFK and his brother Robert and the trials and tribulations of the family members and society in general

continue to fascinate the world This new book presents more than 1200 citations of books and related materials arranged by family member The accompanying CD ROM offers ready access and easy searching *LBJ and the Kennedy Killing* James Tague, 2013-10-01 The author James Tague was an eyewitness to the assassination of President Kennedy his Warren Commission testimony changed history and he is now recognized as a top researcher on the murder of JFK This book takes the reader from that day in 1963 through the events of 50 years of discovery to document that Lyndon Johnson and his cronies were behind the assassination of President Kennedy 101 stories in 101 chapters that will answer most of the lingering questions that the reader has had *A Season of Inquiry* Loch K. Johnson, 2015-01-13 The civil rights movement protests against the Vietnam War Watergate rumors and revelations stemming from these and other events provoked in the 1970s a rising clamor against the scope and conduct of American intelligence operations Finally in 1975 Congress launched investigations of the Central Intelligence Agency the Federal Bureau of Investigation and other federal agencies in the intelligence community This is the story of one of those investigations that by the Senate committee chaired by Frank Church of Idaho The hearings of the Church committee together with investigations by the House of Representatives and a presidential commission rocked the intelligence bureaucracy like nothing before even the CIA's involvement in Kennedy's Bay of Pigs debacle paled in comparison A deep schism developed within the Senate committee and the House of Representatives was torn by acrimony and recrimination From his special vantage point as an investigator and aide to Senator Church Loch Johnson incisively portrays the human element jealousy friendship pique ambition fatigue in these deliberations and traces the tangled lines of conflict and cooperation that stretch between Congress and the White House *Season of Inquiry* affords a unique look at the workings of the United States Senate not in its ordinary day to day business but in the heat and glare of publicity during the conduct of a major inquiry
