Lionel De Rosario

Nippon Slaves:

Nippon Slaves Lionel De Rosario, 1995 Lionel de Rosario was a 20 year old civil servant and member of the Singapore Volunteer Corps when the Japanese overran Singapore in February 1942 taking him prisoner for three and a half years. During that time he marched as one of the 1600 able bodied British internees to Thailand where he worked on the infamous Death Railway. He was one of only 112 recognizable survivors of that ordeal to return to Singapore six months later. The Transnational Redress Movement for the Victims of Japanese Military Sexual Slavery Pyong Gap Min, Thomas Chung, Sejung Sage Yim, 2020-02-10 This book examines the redress movement for the victims of Japanese military sexual slavery in South Korea, Japan and the U S comprehensively. The Japanese military forcefully mobilized about 80 000 200 000 Asian women to Japanese military brothels and forced them into sexual slavery during the Asian Pacific War 1932 1945. Korean comfort women are believed to have been the largest group because of Korea's colonial status. The redress movement for the victims started in South Korea in the late 1980s. The emergence of Korean comfort women to society to tell the truth beginning in 1991 and the discovery of Japanese historical documents proving the responsibility of the Japanese military for establishing and operating military brothels by a Japanese historian in 1992 accelerated the redress movement for the victims. The movement has received strong support from UN human rights bodies, the U S and other Western countries. It has also greatly contributed to raising people's consciousness of sexual violence against women at war. However, the Japanese government has not made a sincere apology and compensation to the victims to bring justice to the victims. **The Japanese Comfort Women and Sexual Slavery during the China and Pacific Wars** Caroline Norma, 2015-12-17 The Japanese military was responsible for the sexual enslavement of thousands of women and girls in Asia and the Pacific during the China and Pacific wars under the guise of providing comfort for battle weary troops. Campaigns for justice and reparations for comfort women since the early 1990s have highlighted the magnitude of the human rights crimes committed against Korean, Chinese and other Asian women by Japanese soldiers after they invaded the Chinese mainland in 1937. These campaigns, however, say little about the origins of the system or its initial victims. The Japanese Comfort Women and Sexual Slavery during the China and Pacific Wars explores the origins of the Japanese military's system of sexual slavery and illustrates how Japanese women were its initial victims. **The Portuguese Slave Trade in Early Modern Japan** Lúcio De Sousa, 2019-01-21 Winner of the Portuguese Academy of History Award, Gulbenkian Foundation Award in History 2019. In The Portuguese Slave Trade in Early Modern Japan: Merchants, Jesuits and Japanese, Chinese and Korean Slaves Lúcio de Sousa offers a study on the system of traffic of Japanese, Chinese and Korean slaves from Japan. Using the Portuguese mercantile networks, de Sousa reconstructs the Japanese communities in the Habsburg Empire and analyses the impact of the Japanese slave trade on the Iberian legislation produced in the 16th and first half of the 17th centuries. The Japan Chronicle, 1912 The Thailand-Burma Railway, 1942-1946: Voluntary accounts Paul H. Kratoska, 2006 *Econ Aspects Hist Civil Japan* Takekoshi, 2018-10-24 First

Published in 2004 Routledge is an imprint of Taylor Francis an informa company **The Economic Aspects of the History of the Civilization of Japan** Yosaburo Takekoshi,2016-04-01 Originally published by Allen Unwin in 1930 this 3 volume collection brings together writings on the economic aspects of Japan s history Covering the period from the 1600s until the 1920s this work offers the reader not only an economic history of the Japanese but also a social and political history By explaining the realities of daily life during the periods covered this collection allows the economic aspects to be fully appreciated **From Shanghai to the Burma Railway** Rory Laird,2020-04-30 Richard Laird s previously unpublished record of his wartime experience as a Japanese prisoner of war ranks among the most graphic of this shocking and deservedly popular genre Captured after fighting in the Malayan Campaign he was incarcerated in Changi before being drafted as slave labour with F Force on the notorious Burma Railway He was one of only 400 out of 1600 to survive Songkurai No 2 Camp despite disease and terrible hardship His moving memoir begins with a rare description of ex patriate life in 1930 s Shanghai with the Sino Japanese war raging around the European cantonments An additional dimension to his story is the developing relationship between the author and Bobbie Coupar Patrick to whom he became engaged shortly before the fall of Singapore Bobbie s letters graphically described her dramatic escape to Australia and work for Force 136 They were reunited in Colombo Ceylon and their son has been instrumental in compiling this exceptional record Three appendices round off this superb book including the official report on the hardships and losses suffered by F Force

Holocaust, Genocide, and the Law Michael Bazyler,2016-10-25 A great deal of contemporary law has a direct connection to the Holocaust That connection however is seldom acknowledged in legal texts and has never been the subject of a full length scholarly work This book examines the background of the Holocaust and genocide through the prism of the law the criminal and civil prosecution of the Nazis and their collaborators for Holocaust era crimes and contemporary attempts to criminally prosecute perpetrators for the crime of genocide It provides the history of the Holocaust as a legal event and sets out how genocide has become known as the crime of crimes under both international law and in popular discourse It goes on to discuss specific post Holocaust legal topics and examines the Holocaust as a catalyst for post Holocaust international justice Together this collection of subjects establishes a new legal discipline which the author Michael Bazyler labels Post Holocaust Law Cultural Nippon ... ,1938 **Gold Warriors** Sterling Seagrave,Peggy Seagrave,2003 Uncovers one of the biggest secrets of the twentieth century Marshall of Singapore Kevin Tan,2008 Chronicles the life times and achievements of David Marshall Singapore s Conscience This book presents the story of this extraordinary man who was for many Singapore s missionary of democracy Ship of Ghosts James D. Hornfischer,2009-03-25 NEW YORK TIMES BESTSELLER Son we re going to Hell The navigator of the USS Houston confided these prophetic words to a young officer as he and his captain charted a course into U S naval legend Renowned as FDR s favorite warship the cruiser USS Houston was a prize target trapped in the far Pacific after Pearl Harbor Without hope of reinforcement her crew faced a superior Japanese

force ruthlessly committed to total conquest It wasn't a fair fight but the men of the Houston would wage it to the death Hornfischer brings to life the awesome terror of nighttime naval battles that turned decks into strobe lit slaughterhouses the deadly rain of fire from Japanese bombers and the almost superhuman effort of the crew as they miraculously escaped disaster again and again until their luck ran out during a daring action in Sunda Strait There hopelessly outnumbered the Houston was finally sunk and its survivors taken prisoner For more than three years their fate would be a mystery to families waiting at home In the brutal privation of jungle POW camps dubiously immortalized in such films as *The Bridge on the River Kwai* the war continued for the men of the Houston a life and death struggle to survive forced labor starvation disease and psychological torture Here is the gritty unvarnished story of the infamous Burma Thailand Death Railway glamorized by Hollywood but which in reality mercilessly reduced men to little more than animals who fought back against their dehumanization with dignity ingenuity sabotage will power and the undying faith that their country would prevail Using journals and letters rare historical documents including testimony from postwar Japanese war crimes tribunals and the eyewitness accounts of Houston's survivors James Hornfischer has crafted an account of human valor so riveting and awe inspiring it's easy to forget that every single word is true **BONUS** This edition contains an excerpt from James D Hornfischer's *Neptune's Inferno*

Comfort Women Activism Eika Tai, 2020-08-04 *Comfort Women Activism* follows the movement championed by pioneer activists in Japan to demonstrate how their activism has kept a critical interpretation of the atrocities against women committed before and during World War II alive The book shows how the challenges faced by the activists have evolved from the beginning of their uphill battles all the way to contemporary times They were able to change social attitudes and get their message across Yet the ambiguous position of post World War II Japan's government which has consistently rejected any sign of guilt over its imperialist past has kept the activists on their toes Pivotal and serendipitous turning points have also played a crucial role In particular in the early 1990s the post Soviet world order assisted in creating the appropriate conditions for the movement to gather transnational support These conditions have eroded over time yet due to the activists' fidelity to survivors the movement has persisted to this day Tai uses the activists' narratives to show the multifaceted aspects of the movement By measuring these narratives against scholarly debates she argues that comfort women activism in Japan could be called a new form of feminism A manuscript of this depth covering such a range of material about the comfort women movement has not previously been available in English I am deeply impressed by the author's scholarly commitment and humanitarian compassion The accounts provided in the book are particularly moving putting a human face on the transnational comfort women movement that has had a global impact Peipei Qiu Vassar College Eika Tai urges a postcolonial understanding of how activists in Japan came to embrace the issue of comfort women make it their own and engage on a transnational multigenerational effort Her book is an absolutely clear rejection of those who portray this historical topic as activism meant to hate Japan Instead she claims that this issue is at the heart of a divided

Japan Alexis Dudden University of Connecticut **Holocaust Justice** Michael J Bazyler, 2005-04-01 The first book to tell the complete story of the American attempt at restitution for victims of the Holocaust The Holocaust was not only the greatest murder in history it was also the greatest theft Historians estimate that the Nazis stole roughly 230 billion to 320 billion in assets figured in today's dollars from the Jews of Europe Since the revelations concerning the wartime activities of the Swiss banks first broke in the late 1990s an ever widening circle of complicity and wrongdoing against Jews and other victims has emerged in the course of lawsuits waged by American lawyers These suits involved German corporations French and Austrian banks European insurance companies and double thefts of art first by the Nazis and then by museums and private collectors refusing to give them up All of these injustices have come to light thanks to the American legal system Holocaust Justice is the first book to tell the complete story of the legal campaign conducted mainly on American soil to address these injustices Michael Bazyler a legal scholar specializing in human rights and international law takes an in depth look at the series of lawsuits that gave rise to a coherent campaign to right historical wrongs Diplomacy individual pleas for justice by Holocaust survivors and various Jewish organizations for the last fifty years and even suits in foreign courts had not worked It was only with the intervention of the American courts that elderly Holocaust survivors and millions of other wartime victims throughout the world were awarded compensation and equally important acknowledgment of the crimes committed against them The unique features of the American system of justice which allowed it to handle claims that originated over fifty years ago and in another part of the world made it the only forum in the world where Holocaust claims could be heard Without the lawsuits brought by American lawyers Bazyler asserts the claims of the elderly survivors and their heirs would continue to be ignored For the first time in history European and even American corporations are now being forced to pay restitution for war crimes totaling billions of dollars to Holocaust survivors and other victims Bazyler deftly tells the unfolding stories the Swiss banks attempt to hide dormant bank accounts belonging to Holocaust survivors or heirs of those who perished in the war German private companies that used slave laborers during World War II including American subsidiaries in Germany Italian Swiss and German insurance companies that refused to pay on prewar policies and the legal wrangle going on today in American courts over art looted by the Nazis in wartime Europe He describes both the human and legal dramas involved in the struggle for restitution bringing the often forgotten voices of Holocaust survivors to the forefront He also addresses the controversial legal and moral issues over Holocaust restitution and the ethical debates over the distribution of funds With an eye to the future Bazyler discusses the enduring legacy of Holocaust restitution litigation which is already being used as a model for obtaining justice for historical wrongs on both the domestic and international stage *War Memory and the Making of Modern Malaysia and Singapore* Karl Hack, Kevin Blackburn, 2012-01-01 Singapore fell to Japan on 15 February 1942 Within days the Japanese had massacred thousands of Chinese civilians and taken prisoner more than 100 000 British Australian and Indian soldiers A resistance movement formed in Malaya's jungle covered

mountains but the vast majority could do little other than resign themselves to life under Japanese rule The Occupation would last three and a half years until the return of the British in September 1945 How is this period remembered And how have individuals communities and states shaped and reshaped memories in the postwar era The book response to these questions presenting answers that use the words of Chinese Malays Indians Eurasians British and Australians who personally experienced the war years The authors guide readers through many forms of memory from the soaring pillars of Singapore s Civilian War Memorial to traditional Chinese cemeteries in Malaysia and from families left bereft by Japanese massacres to the young women who flocked to the Japanese sponsored Indian National Army dreaming of a march on Delhi This volume provides a forum for previously marginalized and self censored voices using the stories they relate to reflect on the nature of conflict and memory They also offer a deeper understanding of the searing transit from wartime occupation to post war decolonization and the moulding of postcolonial states and identities

Foreign Images and Experiences of Japan

William McOmie, 2021-10-25 The first in a three volume series Volume 1 begins with the earliest written reports from China in the first century AD and ends with a survey of Dutch reports from 1841 which marks the point when Japan had been amply described in all major respects and at a time when it began to be perceived as a less remote and more important country in Western eyes yet still emphatically closed to all foreign trade except that of the Dutch and the Chinese Furthermore in little more than a decade later the number and variety of accounts were to increase greatly following the American Russian and British expeditions of 1853 54 accounts which are to form a key element of Volume 2 The Contents are divided into two parts chronological and thematic Part I is devoted to a discussion and analysis of the dominant views and images of Japan found in each historical era It also provides brief biographical data about those European and American travellers to Japan whose reports are quoted in Part II including some sixty eyewitness accounts along with concise summaries and commentaries Compared to previous surveys a significant aspect of this volume is the greater amount of biographical information regarding the leading European visitors to Japan that is provided together with a concise analysis and evaluation of their original accounts by both contemporary and more recent critics As a further innovation excerpts from the reports of Russian visitors to Japan including Adam Laxman and V M Golvnin are quoted for the first time alongside those of West European and American accounts The volume is supported by a significant Glossary and Bibliography as well as Subject and Name Place Indexes

Japan from War to Peace William H. Coaldrake, 2023-04-28 This book makes available for the first time a treasure trove of hitherto unpublished documents on Japan in the war years and immediate postwar occupation and recovery The documents consist of newsletters newspaper articles texts of radio broadcasts and letters written by Frank William Coaldrake a pacifist and priest and the first Australian civilian to enter Japan after the war with his wife Maida Frank and Maida formed a team of participant observers in the challenge of a nation confronting its past and trying to find hope in a future while occupied by foreign powers This is a rare and comprehensive collection of first hand accounts of Japan by two astute

observers The daily struggle against starvation is interspersed with issues such as war atrocities the atomic bombings the status of the Imperial Family the British monarch and labour unions The text is illustrated with photographs taken by Frank Coaldrake With an introduction by William H Coaldrake son of the authors **Japan's Comfort Women** Toshiyuki Tanaka, 2002 Japan's Comfort Women tells the harrowing story of the comfort women who were forced to enter prostitution to serve the Japanese Imperial army often living in appalling conditions of sexual slavery Using a wide range of primary sources the author for the first time links military controlled prostitution with enforced prostitution He uncovers new and controversial information about the role of the US occupation forces in military controlled prostitution as well as the subsequent cover up of the existence of such a policy This groundbreaking book asks why US occupation forces did little to help the women and argues that military authorities organised prostitution to prevent the widespread incidence of GI rape of Japanese women and to control the spread of sexually transmitted diseases
