Nurturing Classroom:

Nurturing Creativity in the Classroom Ronald A. Beghetto, James C. Kaufman, 2010-06-28 Nurturing Creativity in the Classroom is a groundbreaking collection of essays by leading scholars who examine and respond to the tension that many educators face in valuing student creativity but believing that they cannot support it given the curricular constraints of the classroom Is it possible for teachers to nurture creative development and expression without drifting into curricular chaos Do curricular constraints necessarily lead to choosing conformity over creativity This book combines the perspectives of top educators and psychologists to generate practical advice for considering and addressing the challenges of supporting creativity within the classroom It is unique in its balance of practical recommendations for nurturing creativity and thoughtful appreciation of curricular constraints This approach helps ensure that the insights and advice found in this collection will take root in educators practice rather than being construed as yet another demand placed on their overflowing plate of responsibilities

The Nurturing Classroom Margaret E. Nurturing Creativity in the Classroom Ronald A. Beghetto, James C. Kaufman, 2016-11-07 As interest in creativity explodes it has become more complicated to decide how to best nurture creativity in our schools There are the controversial Common Core Standards in many states Meanwhile the classroom has become increasingly digital it is easier to access information communicate ideas and learn from people across the world Many countries now include cultivating creativity as a national educational policy recommendation yet there is still debate over best practices Indeed many well intentioned educators may institute programs that may not reach the desired outcome The notion that schools kill creativity has become a widespread social meme We view such beliefs as both hyperbolic and problematic they allow us to recognize there is a problem but not solve it In this book a wide array of international experts addresses these issues discussing theories and

research that focus on how to nurture creativity in K 12 and college level classrooms **Creating a Nurturing Classroom Environment in a Title I School** Alisa Yorgason Allen, 2017 The purpose of this self reflective autoethnographic research is to explore my own practice as a teacher working in a school with a large percentage of students from lower SES households Title I How can I thrive as a teacher in creating a nurturing supportive classroom in an environment that encourages or even requires strategies that have been shown to undermine those goals If I disagree philosophically with such tactics yet am required to implement or support them how do I maintain a sense of continuity with the efforts of the school while remaining true to my own values and beliefs and also provide my students with the best possible learning environment Teaching Hope and Resilience for Students Experiencing Trauma Douglas Fisher, Nancy Frey, Rachelle S. Savitz, 2019-11 Huge numbers of our students are caught in storms of trauma whether stemming from abuse homelessness poverty discrimination violent neighborhoods or fears of school shootings or family deportations This practical book focuses on actions that teachers can take to facilitate learning for these students Identifying positive connected teacher student relationships as foundational the authors offer direction for creating an emotionally safe classroom environment in which students find a refuge from trauma and a space in which to process events The text shows how social and emotional learning can be woven into the school day how literacies can be used to help students see a path through challenges how to empower learners through debate civic action and service learning and how to use the vital nature of the school community as an agent of change This book will serve as a roadmap for creating uniformly consistent and excellent classrooms and schools that better serve children who experience trauma in their lives Book Features Makes a clear case for the need and responsibility of schools to equip students with tools to learn despite the trauma in their lives Shows practical classroom instructional and curricular interactions that address trauma while advancing student academic learning Uses literacy and civic action as pathways to empowerment Provides a method and tools for developing a coherent plan for creating a trauma sensitive school
