Police And The People:

Police and the People Paul Harvey Ashenhurst, 1956 Policing in the 21st Century Dr. Lee P. Brown, 2012-12-29 Dr Lee P Brown one of Americas most significant and respected law enforcement practitioners has harnessed his thirty years of experiences in police work and authored Policing in the 21st Century Community Policing Written for students members of the police community academicians elected officials and members of the public this work comes from the perspective of an individual who devoted his life to law enforcement Dr Brown began his career as a beat patrolmen who through hard work diligence and continued education became the senior law enforcement official in three of this nations largest cities The book is about Community Policing the policing style for America in the Twenty First Century It not only describes the concept in great detail but it also illuminates how it evolved and how it is being implemented in various communities throughout America There is no other law enforcement official or academician who is as capable as Dr Brown of masterfully presenting the concept of Community Policing which he pioneered As a philosophy Community Policing encourages law enforcement officials and the people they are sworn to serve to cooperatively address issues such as crime community growth and societal development It calls for mutual respect and understanding between the police and the community The book is written from the perspective of someone whose peers identify as the father of Community Policing and who personally implemented it in Police Departments under his command It is a thoroughly amazing book that has been heralded as a must read for anyone who has an interest in law enforcement Elected officials academicians leaders of the nations police agencies and members of the public will be captivated by Dr Browns literary contribution **The Police, the People, the Politics** Michelle Kagari, Sophy Thomas, 2006 *A Glossary of Political Terms of the People's Republic of China* Gucheng Li, 1995 A glossary of political terms of the People s Republic of China is a collection of 560 important and frequently used Chinese political terms and phrases that appeared between 1949 and 1990 Each entry begins with an explanation of the term and its origin a description of how and under what circumstances the term was used and a discussion of the changes of meaning over the years as well as the political and social significance of the words Jacket **Fieldnotes on a Study of Young People's Perceptions of Crime and Justice** Avi Brisman, 2022-07-25 This book is an ethnographic examination of the young people who serve voluntarily as judges advocates and other court personnel at the Red Hook Youth Court RHYC in Brooklyn New York a juvenile diversion program designed to prevent the formal processing of juvenile offenders usually first time offenders for low level offenses such as fare evasion truancy vandalism within the juvenile justice system Focusing on the nine to ten week long unpaid training program that the young people undergo prior to becoming RHYC members this book offers a detailed description of young people s experiences learning about crime delinquency justice and law Combining moments of self reflection and autobiographical elements into largely uncooked fieldnotes the book seeks to demonstrate the hegemonic operations of a court the Red Hook Community Justice Center RHCJC a multi jurisdictional problem solving court and

community center where the RHYC is housed the processes in which it secures belief in formal justice and the rule of law ensures consent to be governed and reproduces existing social structures An accessible and compelling read this book will appeal to students and scholars of criminology law sociology and youth justice as well as to those undertaking ethnographic research on young people crime and justice **Breaking Rules: The Social and Situational Dynamics of Young People's Urban Crime** Per-Olof H. Wikström, 2012-05-24 Breaking new ground in the study of crime in urban environments **Breaking Rules The Social and Situational Dynamics of Young People s Urban Crime** examines the findings theoretical basis and new methodology of The Peterborough Adolescent and Young Adult Development Study PADS This major longitudinal study investigates the role of the social environment on crime causation involving a cohort of 700 young people from the age of 12 A particular aim of PADS is to employ a new theory known as Situational Action Theory as well as the innovative methodology of ecometrics combined with space time budgets to improve the study of young people s offending and its changes By reviewing the current literature and analysing the theoretical and methodological problems of previous research the book explains how Situational Action Theory can help overcome central problems in criminological theorising Using this new and innovative framework it presents an analysis of the urban structure of Peterborough and its correlation to the differences in social life found in that area The variations in the urban environment are examined in terms of crime victimization and fear of crime and a detailed examination of young persons crime and its spatial patterns is offered through the unique space time budget data collected within PADS that enables analyses of young people their movements and crime involvement With implications for policy and prevention as well as being the first study of its kind this book should be of great interest to policy makers and practitioners interested in issues of urban environments as well as those studying crime in the urban environment and the role of the social environment in crime causation **Reimagining Police** Dr. Artika R. Tyner, 2023-10-03 Large scale protests marches and demonstrations in cities all over the globe have followed high profile fatal encounters involving law enforcement and people of color Citizens have taken to the streets and demanded answers to the chronic problems of police violence and lack of accountability particularly at the intersection of law enforcement and race in the United States Many have demanded reform defunding and even the outright abolishment of police departments How did we get here And what does the future of public safety look like US police forces took shape in colonial times when private groups sought to suppress Indigenous peoples enforce slavery and preserve the economic interests of the ruling class Law enforcement and the societies it serves have evolved since but the dark roots of policing have endured resulting in centuries of historical pain and trauma in Black and other communities of color In **Reimagining Police** Dr Artika R Tyner explores this troubled past and present as well as the underlying problems of a flawed criminal justice system and unjust social structures By examining various alternative policing models and addressing systemic societal issues such as breaking the poverty cycle instituting restorative justice and investing in education and community resources Tyner debunks the misconception that

calls for change are anti police while offering hope for a more harmonious future between law enforcement and the people it swears to protect and serve Tyner encourages readers to get involved in this difficult conversation and to feel empowered to lead social change that helps build safe and strong communities

The Need for Enemies F. G. Bailey, 2019-01-24 Amid the escalating hostilities of today's world F G Bailey returns to the state of Orissa in the eastern India of the 1950s to consider what held a diverse collection of people together and what drove them apart The last of Bailey's books about Orissa The Need for Enemies offers a ground level view of regional politics in South Asia in the years following independence In doing so the book analyzes political problems that are of universal concern incivility in public life the inescapable dilemma of duty always in tension with interests public consensus on what is right and good giving way to a babel of inconsistent moralities and not least true believers contesting realists who see virtue in compromise A portrait of Orissa and its leaders in 1959 the book is also a treatise on political morale As Bailey tells the story of political and social turmoil in postcolonial India a tale rich in ethnographic detail he follows Orissa's politicians through a maze of inconsistencies and makes clear the dangers that beset political cultures in a complex world of multiple competing alternatives There is a need to simplify Bailey suggests and an ever present risk of making the image too simple
