Polish People In Canada A Visual History:

The Polish People in Canada William Makowski, 1987 **Creating Kashubia** Joshua C. Blank, 2016-04-04 In recent years over one million Canadians have claimed Polish heritage a significant population increase since the first group of Poles came from Prussian occupied Poland and settled in Wilno Ontario west of Ottawa in 1858 For over a century descendants from this community thought of themselves as Polish but this began to change in the 1980s due to the work of a descendant priest who emphasized the community's origins in Poland's Kashubia region What resulted was the reinvention of ethnicity concurrent with a similar movement in northern Poland *Creating Kashubia* chronicles more than one hundred and fifty years of history identity and memory and challenges the historiography of migration and settlement in the region For decades authors from outside Wilno as well as community insiders have written histories without using the other's stores of knowledge Joshua Blank combines primary archival material and oral history with national narratives and a rich secondary literature to reimagine the period He examines the socio political and religious forces in Prussia delves into the world of emigrant recruitment and analyzes the trans Atlantic voyage In doing so Blank challenges old narratives and traces the refashioning of the community's ethnic identity from Polish to Kashubian An illuminating study *Creating Kashubia* shows how changing identities and the politics of ethnic memory are locally situated yet transnationally influenced Hurrah Revolutionaries Patryk Polec, 2015-04-01 Polish Canadians typically identify themselves as stringent anti Communists a label solidified by the legacies of the 1980s Solidarity movement its founder Lech Walesa and the widespread anti Communist riots that helped topple the Communist regime in 1989 *Hurrah Revolutionaries* challenges this common perception by examining the Polish immigrant community in Canada and the development of radical and traditionally deviant ideologies during the interwar period until the end of the Second World War Patryk Polec unveils a versatile well funded and influential Polish pro Communist movement with a talented leadership that worked tirelessly to persuade traditionally conservative and religious immigrants to adopt an ideology that was anti nationalist and atheist He traces the roots of socialist support in Poland its transplantation to Canada where the movement enjoyed its greatest support the challenges the movement faced within an ethnic community influenced by Catholicism and the complications caused by its links to the Communist International Polec offers a deeper understanding of the ways in which the Communist Party was able to appeal to certain ethnic groups through cultural outreach as well as its complicated and often counter productive relationship with the Soviet Union Grounded in recently declassified Polish consular documents and RCMP surveillance reports *Hurrah Revolutionaries* is the first full length study of Polish Communists in Canada a group that constituted a substantial portion of the country's socialist left in the twentieth century Storied Landscapes Frances Swyripa, 2010 *Storied Landscapes* is a beautifully written sweeping examination of the evolving identity of major ethno religious immigrant groups in the Canadian West including Ukrainians Mennonites Icelanders Doukhobors Germans Poles Romanians Jews Finns Swedes Norwegians and Danes *Foundations of*

Faith Violet M. Holroyd, 1991-06-30 The Ontario landscape is dotted with places of worship from the simple log cabin to lofty cathedrals Behind each lie personal stories of exceptional individuals and historical events all of which have helped shape our lives The lovers of Anne of Green Gables may be pleasantly surprised by Lucy Maud Montgomery's long association with the Leaksdale Manse just north of Toronto From the James Bay lowlands comes an unusual example of ingenuity involving a historic Moose Factory landmark while the poignant love story involving Florence Nightingale and a local minister is depicted in the attractive stained glass window of a church in Elora A more recent page of history is captured through the side by side relationship of a synagogue and mosque Throughout *Foundations of Faith* will delight the armchair traveller and invite the mobile history buff to explore Ontario *Kashubia to Canada* Shirley Mask Connolly, 2003 Kaszuby is a region in Renfrew County settled by Polish immigrants Kashubes from the Kaszuby region in the Gdańsk district of Poland
