Devil Away applies the principles of God found in the Book of Proverbs to daily living. Illustrations are used to trigger the memories of its readers to past and present experiences in life hopefully causing the lesson of each devotion to profoundly impact the reader. These illustrations stem from relationships, home, work, play, decisions, reactions, thoughts, injustice and justice. Some are humorous and some very serious. Each one demonstrates the theme of that verse. The Book of Proverbs is as timely as time itself. Times have changed but people have not. They still face the hard issues of life, the same fears and hurts, the same temptations and sin, the same struggle with what is right and wrong and the same questions about what role God really plays in their life. This devotional study aids its readers in getting a grip on these challenges. Philip Ayers was born in Roanoke, Virginia, on March 2nd, 1948. He is the second born of a family of five. Very early in his life, his family moved to Salem, Virginia, where he resided until he joined the United States Marine Corps at the age of seventeen. He served in the Viet Nam conflict. He was wounded three times and was awarded the Navy Commendation Medal with Combat V for heroic action in the face of the enemy. The Golden Tap - The Inside Story of Hyper-Funded Indian Start-Ups Kashyap Deorah, 2015-11-16. Ever wondered why global investors are willing to write million dollar cheques to young and inexperienced entrepreneurs? Why companies are no longer judged on their ability to make profits? Why the valuation of a startup can dwarf that of its well established counterpart? Is it a bubble? Or have the rules of the game changed? Can these hyper funded technology driven companies become global superpowers? Or is it an unsustainable phenomenon? The Golden Tap gives you the answers. In a remarkably honest, no holds barred account, Kashyap himself, a serial entrepreneur, demystifies the technology ecosystem that exists in India today. From the origins of Amazon and Google to the remarkable growth of Flipkart and Ola, he meticulously plots and chronicles a connected global sequence of events. Set in this background, he recounts his personal roller coaster of a life. A story filled with ambition, greed, vanity, fear and success that all young entrepreneurs can relate to. Is this the business model of the future? Or merely a game of poker played by master investors? The answers pour out of The Golden Tap.

Game Day for the Glory of God Stephen Altrogge, 2008-08-21. This book gives biblical guidance on playing, watching and discussing sports in a God glorifying manner, helping believers grow in both their love for God and their passion for holiness. Scripture calls Christians to do everything for the glory of God. That means every thought, every word and every deed are to be done in a way that brings pleasure and honor to him. Believe it or not, this includes playing, watching and talking sports. But most of us fail to recognize how sports fit into the big picture of a God glorifying life. Unable to imagine that the God who created the universe might actually care about Little League games and Monday Night Football. So how do we play, watch and talk sports for God's glory? Game Day for the Glory of God seeks to answer that question from a biblical

The average professional in this country wakes up in the morning goes to work comes home eats dinner and then goes to sleep unaware that he or she has likely committed several federal crimes that day Why The answer lies in the very nature of modern federal criminal laws which have exploded in number but also become impossibly broad and vague In *Three Felonies a Day* Harvey A Silverglate reveals how federal criminal laws have become dangerously disconnected from the English common law tradition

and how prosecutors can pin arguable federal crimes on any one of us for even the most seemingly innocuous behavior The volume of federal crimes in recent decades has increased well beyond the statute books and into the morass of the Code of Federal Regulations handing federal prosecutors an additional trove of vague and exceedingly complex and technical prohibitions to stick on their hapless targets The dangers spelled out in *Three Felonies a Day* do not apply solely to white collar criminals state and local politicians and professionals No social class or profession is safe from this troubling form of social control by the executive branch and nothing less than the integrity of our constitutional democracy hangs in the balance
