Postman Pat and the Goat's Supper John A. Cunliffe, 1998 *Teaching and Learning Communication, Language and Literacy* Ann Browne, 2007-03-01 Teaching and Learning Communication Language and Literacy is a comprehensive guide to the teaching and learning of communication language and literacy in the foundation stage 3 5 years It draws on research findings and good practice to provide practical guidance about working with young children in nursery and reception classes The book examines how young children develop as learners and users of language and literacy and the contribution that home and school make to their learning It locates learning in a play based curriculum and provides a rationale for making play both a context and a resource for learning It also takes account of recent policy initiatives such as the Curriculum Guidance for the Foundation Stage the organization for literacy in reception classes and the foundation stage assessment profile Throughout the book a distinction is made between the organization and activities that are appropriate to nursery and reception children The book contains practical suggestions about activities and resources including ways of working with environmental print and found texts ICT TV and video as well as books The role of adults in supporting and extending learning is considered in detail

Parents' Education as Autism Therapists Michael Keenan, Ken P. Kerr, Karola Dillenburger, 2000 Clear focused and practical this book is a useful introduction to ABA for parents and professionals working with children with autism Successful child rearing is an essential skill for any parent For most of us this skill is handed down from our own parents and society in general In real terms this means that rather than relying on any formal instruction to help us we bring up our children using skills based largely upon common sense and a willingness to do our best These methods are by and large successful in everyday situations However when it comes to more difficult aspects of developing skills in our children we need something more dependable than good will Applied Behaviour Analysis ABA the systematic implementation of scientifically proven behavioural principles offers just that Aimed at enhancing people's lives in ways that they or their carers feel are important it includes a variety of methods and techniques which can be used to promote decrease or maintain skills for daily living ABA has been used to help children with autism for many years in many countries In Northern Ireland the PEAT group offers parents the education necessary to become their own child's therapists using ABA In this book these parents and the professionals involved in their training share their knowledge experience and successes
