**Vampires and Zombies** Dorothea Fischer-Hornung,Monika Mueller,2016-02-02 The undead are very much alive in contemporary entertainment and lore Indeed vampires and zombies have garnered attention in print media cinema and on television The vampire with roots in medieval European folklore and the zombie with origins in Afro Caribbean mythology have both undergone significant transformations in global culture proliferating as deviant representatives of the zeitgeist As this volume demonstrates distribution of vampires and zombies across time and space has revealed these undead figures to carry multiple meanings Of all monsters vampires and zombies seem to be the trendiest the most regularly incarnate of the undead and the monsters most frequently represented in the media and pop culture Moreover both figures have experienced radical reinterpretations If in the past vampires were evil blood sucking exploiters and zombies were brainless victims they now have metamorphosed into kinder and gentler blood sucking vampires and crueller more relentless flesh eating zombies Although the portrayals of both vampires and zombies can be traced back to specific regions and predate mass media the introduction of mass distribution through film and game technologies has significantly

modified their depiction over time and in new environments Among other topics contributors discuss zombies in Thai films vampire novels of Mexico and undead avatars in horror videogames This volume with scholars from different national and cultural backgrounds explores the transformations that the vampire and zombie figures undergo when they travel globally and through various media and cultures Atlas of Paranormal Places Evelyn Hollow, 2024-09-03 Uncover fascinating paranormal activity on this chilling nerve wracking global tour of 100 haunted locations Set out on a uniquely dark armchair journey and witness the shocking supernatural events ghosts and unexplained phenomena that have captivated humankind for as long as we have told stories to each other looked to the skies and wondered whether we really are alone The paranormal places include The Island of the Dolls in Mexico where a haunted recluse has hung hundreds of creepy dolls from trees St Augustine Lighthouse in Florida USA the eerie former home of three girls trapped beneath a wheelbarrow Gunnuhver Mud Pool in Iceland infected by the spirit of a maddened criminal Turkmenistan s Door to Hell an infernal crater still blazing after half a century Legends about spirits that rise from the dead places where the crops don t grow or sites where strange lights are seen at night glaciers that bleed ghost towns crumbling castles disused and active cemeteries eerie forests and freak nature patterns This cursed collection covers these sites in all their mysterious glory and recounts what happened what continues to happen and what may explain these phenomena Hauntings aliens moving rocks and all manner of paranormal activity are covered in manmade as well as natural surroundings You may not want to read it when you are alone Unsilencing Slavery Celia E. Overtaken by a Butterfly Nick Eades, 2023-04-28 I sank to my knees in despair. Incredibly, despite being in a tropical jungle, I was cold, really cold. I was shivering from head to foot. The adrenaline that had brought me this far had finally run out and I collapsed to the ground. And that's when I was attacked. Running and flying the world for over 40 years was finally coming to an end. During that time, I had become the World's most experienced Boeing 747 Captain. I had combined my flying with running the equivalent of a marathon every week for four decades. My flying career was at an end. Running had been a passion that had taken me into places and situations that were both exciting and dangerous. I could no longer fly the 747, but at least I was still young enough to run as fast as I ever could. And then I was overtaken by a butterfly. *New York Magazine*, 1997-02-10 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers.
