past Within a dramatically short period of coming to prominence though the Ulster Liberal was not quite an extinct political species Ulster Liberalism was well and truly a spent force      *Catalog of Copyright Entries, Third Series* ,1963 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc      The P.F.P.
